SUN RIVER VALLEY SCHOOL DISTRICT
NEWSLETTER

~ From the Desk of the Superintendent ~

After one month into the school year, we are experiencing more than normal bus behavioral issues. School bus behaviors go beyond disrespect. They also create a safety hazard for EVERYONE on board. To ensure safe, efficient transportation service, students should:

- Arrive at bus stops before the buses are scheduled to arrive.
- Wait in locations clear of traffic and away from where the bus stops.
- Behave at the school bus stop.
- Go directly to a seat (empty or assigned) so the bus may safely resume motion.
- Remain seated, keeping aisles and exits clear.
- Observe classroom conduct and obey drivers promptly and respectfully.
- Do not use profane language.
- Do not eat or drink on buses, except as required for medical reasons.
- Do not use tobacco on buses.
- Do not possess alcohol or drugs on buses, except for required prescription medication.
- Do not throw or pass objects on, from, or into buses.
- Students must leave or board buses at assigned locations, unless they have parental and administrative authorization to do otherwise.

Teachers as well as drivers are expected to facilitate a learning environment for the students that foster behaviors of **SAFETY**, **RESPECT** and **RESPONSIBILITY**. We believe that in order for a positive and safe learning environment to exist at school there must be rules requiring appropriate behaviors.

The school and bus climate should be one of mutual respect. We all deserve to feel respected. Teachers "teach to" the expected student behaviors. The students are taught what is expected of them. "And when children learn how to meet high expectations for behavior, when they come to believe in their own ability to change their behavioral patterns --- that is when they can feel honest pride in their own accomplishments. Time to Teach helps children achieve true self-esteem." (Dahlgren, Rick, 2001. Time to Teach! Atlanta, FA: Center for Teacher Effectiveness)

Parents, please visit with your children about school bus safety so we can all remain safe, to and from school.

Dave Marzolf
SRVS Superintendent

2019

October

November

Start of School Year

The 2019-2020 school year is off to a positive start. Remember - students’ grades are tracked through the eligibility system on a weekly basis. Quarter 1 will expire November 7. Midterm is September 30; and if you have questions or concerns, please do not hesitate to contact your child’s counselor or teacher(s).

Homecoming & Senior Recognition

Simms High School Homecoming week went very well. Student participation in activities was at an all-time high. Thank you parents for helping with Homecoming festivities. This year the theme for Homecoming was TV Shows. Both Simms and Fort Shaw had the opportunity to celebrate together at an all-school assembly K-12. Thank you to the Simms and Fort Shaw staff members for helping facilitate this big event and support all happenings with Sun River Valley Students’ Ra Ra Week! Thank you local Valley Volunteer Fire Departments for providing vehicles in the parade.

Go Tigers!

Academic News

MAP & ISIP Literacy Testing (Round 1) Complete

Students in sixth through tenth grades complete **MAP**, or the Measure of Academic Progress, which is a computerized adaptive test which helps teachers, parents, and administrators improve learning for all students and make informed decisions to promote a child's academic growth. MAP is used to measure a student's progress or growth in school. The testing information is important to teachers because it indicates what student's strengths are and help that is needed in any specific areas. Teachers can use this information to help them guide instruction in the classroom. If you have ever used a growth chart in your home to show how much your child has grown from one year to the next, it will help you understand the scale MAP uses to measure your child's academic progress. The measurement system is called the RIT Scale (Rasch unit), and is an equal-interval scale much like feet and inches on a yardstick. The scale is used to chart your child's academic growth from year to year. RIT scores typically start at the 140 to 190 level in third grade and progress to the 240 to 300 level by high school.

Luke McKinley
SHS/SRMS Principal

ALL VALLEY PARENTS:

Senior Nights:

Football Senior Night: Oct 10th, Friday
Volleyball Senior Night: Oct 25th, Friday

Simms Athletic Department

Please remind your child to carry their EpiPen and inhaler with them in their sports bags to all games. It is important to stress to them not to share water bottles as flu season ramps up. Our athletics programs are experiencing great success this fall as we have moved beyond the midway point in our schedules. Reminder to all parents regarding “Happenings,” these are placed on our website weekly. We do the best we can to address scheduling changes, please remember that all schedules are subject to changes.

Activities Banquets

Fall sports banquets will be conducted by the Head Coaches of each individual program. The schedule for individual activity banquets once finalized after regular & post season play will be available on our athletic page the first week of November. The school will provide certificates and lettering materials for students at both MS/HS levels.

College Application Week: Sept. 30-Oct. 4

During this week, each Senior gets the opportunity to apply to any 2- or 4-year institution in the State of Montana for a free or waived application fee. Each student is allowed to have **one** free application. It has to be postmarked or completed online by the 5th or the fee will be charged. Each institution works differently. Some have a free application; others may just waive the fee until you attend.

October: The FAFSA will be due. We will have more information out in Oct. about completion.

ACT National Testing Dates and Deadlines:

<u>Test Date</u>	<u>Registration Deadline</u>	<u>Late Registration (Late fees)</u>
Sept. 14, 2019	Aug. 16, 2019	Sept. 1, 2019

Nov. 6	Prudential Spirit of Community Award	Up to \$5,000

Rebecca Boucher,
School Counselor

FFA

Simms FFA has gotten off to a good start! We have 53 high school FFA members and numerous middle schoolers at this time. Six of our members were able to go to Fort Shaw Elementary and read agricultural accurate books for National Read-a-Book Day, September 5th. Thank you to Cascade County Farm Bureau for purchasing the books for this activity.

We hosted the Glacier District Leadership School on September 10th. There were 150 members, advisors, and guests from 10 chapters who attended. Twenty-three Simms chapter members participated in the events of the day.

We are looking forward to electing officers in the next week. We will be doing some special activities for National Indoor Plant week at the end of September, National Thank-a-Farmer Day and MSU Northern's Tekno Expo in October, and are participating in Montana's John Deere Ag Expo in Bozeman in November.

Parents, friends, supporters, past FFA members – anyone wanting to support FFA, agricultural education and agriculture is welcome to join the FFA Alumni (You DO NOT have to have been a member to be an ALUMNI). FFA advisors and members all across the country rely on FFA Alumni volunteers to help support their chapters through the gifts of time, talent, and resources. Give back your skills, starting at the local level. Agricultural education programs rely on volunteers to assist in getting community support and to give teachers more time and freedom to do what they do best—teach students. Mrs. Koterba will be having an Alumni Organizational meeting in January. Please consider joining and lending your expertise to the Simms Chapter.

Jodi Koterba
FFA Sponsor

Happy Fall from the Simms Middle School Volleyball Team!

The staff, along with the girls, are excited to be back in the gym and playing this amazing sport. After taking a four-year break from coaching, I am excited to be back in the gym coaching your students/athletes. I am joined by Coach Lynnette Sheldon, who has been seen on the sidelines for a few seasons working alongside these ladies and the addition of our Adult Volunteer, Kendrah Sodergren, also a Simms High Alumni.

We are challenging these girls this season and preparing them to excel at the High School level under Coaches Thompson and Harrison. We have amazing leadership with our solid 8th grade class and engaged learners in our 6th-7th grade groups.

We are hoping, as parents, you will see not only an improvement of skills on the Volleyball court, but of responsibility and leadership. Sports are more than a ball and physical fitness, it is a challenge of character and work ethic. Thank you so much for sharing your daughters with us. They are cherished!

Coach Shanda Sawyer
MS Girls Volleyball

Homecoming Wrap Up

Homecoming Court 2019

SRVS Graduation 2020

SRVS Schools plan to have graduation ceremonies separate this year.

8th Grade Promotion Ceremony, Thursday, May 21, 6:00 PM

2020 Commencement Exercises, Sunday, May 24, 1:00 PM

Parents or Students are encouraged to contact the school for questions or concerns regarding these special events. We are underway to having both ceremonies planned and prepped so each ceremony will be a special experience for all.

Class Advisers 2019 – 2020

2026 (6th Grade):	Whitney Polich, Sara Davidson
2025 (7th Grade):	Randy Thompson, Truitt Kinna, Lynne Heryford
2024 (8th Grade):	Vonda Harrison, Stacy Woodhouse, Rebecca Boucher
2023 (Freshman):	Jennifer Rohrer, Jodi Koterba
2022 (Sophomore):	Robert Hazenberg, Jennifer Hazenberg, Karen Mishler
2021 (Juniors):	Molly Pasma, Holly Kincaid, Luke McKinley
2020 (Seniors):	Windie Goldhahn, Jordan Hollern, Jessica Harrison

~ A Message from the Fort Shaw Elementary Principal ~

Hello Sun River Valley!

It's been a great start to the school year here at FSE! Students have spent time learning classroom and school procedures, rules, and expectations. Teachers and students are building meaningful relationships. Our school community is wonderful!

Our school population has grown this year. We have new families joining our Tiger Cubs. Last year our student population ended at 107 PK-5. As of the time of this letter, we are currently sitting at 120. It's great that our school has an excellent reputation, and people around the area are aware of that and choose to send their students to FSE!

The new math series, Bridges, is being implemented. Teachers and students are noticing a big difference with instruction. It's a different way of thinking about math and our students have not been exposed to explaining their thinking and how to understand mathematical concepts. This curriculum is a lot different than our last one and will take time for students and teachers to feel comfortable. It has been researched that when schools implement new curriculum it can take up to 3 years to really benefit and have solid results. This is due to all the different materials, instruction, structure, application of learning, and students and teachers becoming proficient with the series. I feel we will start seeing improved math scores and abilities sooner than that due to our wonderful staff and how hard they are working with our new series.

Students from the FFA program at the High School came down and read in our classrooms on September 5th. They completed activities, read stories, and delivered free books to our teachers. The FFA students even had time to go and play at recess with some of our classes! Thank you Mrs. Koterba for bringing your students down to share with us and donate books!

We have a change in the way we will conduct our assemblies this year. There will no longer be Trimester Award Assemblies. There will be a monthly assembly where a few students from each grade will be recognized, social skills winners will be announced, and students of the month will receive their award. We will also have our Minute-to-Win-It games at this time. Our staff feels the Trimester Assemblies lasted far too long for our students, and it interfered with instructional time. Also, we feel that the assembly is for students to be recognized in front of the staff and their peers. We will not be inviting families to attend each month. However, we will have a large assembly at the end of the year to recognize students, and families will be invited to attend. Please understand that this will be a better situation for our students and staff.

Some other things students have been practicing are safety drills, such as fire and lockdown drills. These will be conducted throughout the year so students know how to react in different types of emergencies. To aid in our school safety practices, more cameras have been added to our building as well. We want to keep our students and staff as safe as possible.

Another exciting project underway is the Playground Pavilion! As of today it is nearing completion. This is a great structure to add to our playground! It provides a picnic area, shelter from the elements, and is a wonderful addition to the community. RKL Construction built the structure for us. Thank you so much! It looks awesome!

Don't forget to follow us on Facebook (Fort Shaw Elementary) and Twitter (@FSETigerCubs)! This is continually updated with events at our school, classroom happenings, weekly newsletter, and important dates and information.

Please feel free to contact me anytime with questions or concerns you may have (264-5586, Ext. 602).

*Ted Miller
FSE Principal
ROAR On!*

Music Corner:

THANK YOU to Eric & Ruth (Lynes) Brewster!

Sun River Valley Schools greatly appreciates the donation of four more instruments by Mr. & Mrs. Brewster! They donated another flute, alto saxophone, clarinet, and an oboe! Since class sizes are up, Mrs. Davidson and the District sincerely appreciate the donation!

Thank you

All-State Music Festival:

At the end of the school year, high school musicians hoping for a chance to perform in the Montana All-State Music Ensembles practiced diligently to prepare audition recordings for submission. Working with their music teachers, these students produced a sample of their skills by performing complex etudes, scales, and songs for the audition. The auditions are heard by professional musicians during the summer and results are posted at the end of August. Congratulations to Hunter Winkowitsch from Simms for qualifying for MHSA All-State Music Festival in Billings, October 15-18!!

Hunter will prepare music well in advance of the two days of rehearsal. Guest conductors from leading universities around the country lead Montana's best to prepare for the final concert. It's a highlight of the MMEA Conference each year. The concert concludes the Montana Music Educators Association Conference held each year in October.

Veterans Program:

The Veterans' Program will be Monday, November 11, at Fort Shaw Elementary at 2:30 p.m. Please wear your red, white, and blue as we celebrate our men and women of service and our country.

Holiday Concert:

Please **UPDATE YOUR CALENDARS**—The Simms concert has been changed from Dec. 17 to ***Monday, December 16, 2019.***

It will be held at Simms High School at 6:30 p.m.

*Sara Davidson,
Music Director*

Greetings, Tiger fans!

Well, the days are getting shorter, the leaves are changing into their fall finery, and we are back in the swing of things for the 2019-2020 school year.

I would like to say a huge “thank you” to everyone who bought a Booster ad this month. This is our main fundraiser for the year, and the money will go to purchasing Student-of-the-Month T-shirts, supplies for making locker signs and goody bags, poster-making supplies, and much more! If anyone is interested in joining Booster Club, or just interested in helping out, please

contact me; and I will do my best to answer any questions.

Homecoming was awesome, fun, and of course, very busy! I’d like to thank Student Council, and Rob and Jen Hazenberg for the fantastic job they did with the BBQ and games after the parade! I know that took a huge amount of work, but your efforts were certainly appreciated.

I’d also like to thank my friend, Karen Mishler. I helped Karen put together locker signs for the kids, and we made a giant poster that we hung on the side of the football shed. It did take some time, but we had a lot of fun in the process. Thanks so much, Karen!

October is upon us and with that comes Football play-offs, Volleyball tournaments, and the beginning of the season for Speech and Drama. Best of luck to all our Tigers as we see the year 2019 come to a close!

Kristy Leach
Booster Club

FOOTBALL

High School Football:

2019 Simms Tigers Football Season has gotten off to a great start. The first week of the season, we traveled to Big Sky, MT, to play Lone Peak High School. We came away victorious with a 46-20 win. Tigers were led offensively by Mikey Leach, Stephen Links, and Caden Smerker. Our defense was led by Orion MacDonald, Lane Hinderager, and Hunter Decker.

The second week of the season took us to Shelby, MT, to battle the Coyotes. In the end, we lost a tough, competitive game to one of the top teams in the State 39-18. We had great, all-around performances from Mikey Leach, who again topped 200 yards rushing on the game, Caden Smerker led the team with tackles, and Stephen Links ran for a rushing touchdown. Timer Thomas scored on a punt return.

Our Homecoming game brought big crowds and a huge victory for the Simms Tigers, beating the Chinook Sugarbeaters 30-8. Simms hadn’t seen this victory since 2013. Our defense had a strong showing, keeping the Sugarbeaters to only 8 points. Hunter Decker, Vincent Offerdahl, and Josey Hinderager led the swarming Tiger defense. On the offensive side of the ball, Stephen Links was 9-9, 179 yards, 1 touchdown passing, rushed for 10 carries and 112 yards and 2 touchdowns. Mikey Leach again had a strong performance rushing the ball with 12 carries for 136 yards and a touchdown. Caden Smerker led the team in receiving with 3 catches and 74 yards. It was a huge win for the Tigers. We’re on the right path for the 2019 season.

Eric Dirk,
Head Coach

SRV Middle School:

Middle School Football is going great this year! Coaches Ted Miller and Dace Steinke are working with 6th-8th graders to develop fundamentals, character, and a joy for playing the game. We have 23 students out for football this season. Our players are working extremely hard for us. We challenge them everyday to compete, get better, and give their best effort.

To the players’ credit, they have embraced a winning attitude and great work ethic. The team believes in “doing their 1/8th,” which means everyone does their individual job to make the team successful. Our 8th graders do a wonderful job mentoring the younger players. It’s great to see the team culture being built! We look forward to working with these young athletes, improving throughout the season, and building on our successes everyday! Go Tigers!

Ted Miller and Dace Steinke,
Coaches
