Staff Spotlight for October

Mr. Wikfors - AIG Teacher

Hometown: Palisades Park, NJ

How many years at Fairview: 12

Where did you go to college? Long Island University - Southampton Campus

Favorite restaurant: Monterrey Mexican in Monroe or New Zealand Café (sushi)

Name of your favorite teacher in elementary school: Mrs. Martin (5th Grade Teacher)

City you want to visit the most: Somewhere in Italy (wine country) or Oktoberfest in Germany

Most rewarding part of being a teacher: Watching students succeed now and in the future - I love getting a text, e-mail, and/or Facebook post from my past students. It is rewarding to see how successful some of them have become.

Favorite thing to do outside of school: Play golf and tennis with my buddies

Why did you become a teacher? I love teaching students new things - watching the light bulb go off when they finally understand something is very satisfying. I also have the opportunity as an AIG teacher to witness the academic and social growth of my students over two years. I also like my summers off. ☺

Favorite sport/team to watch on TV: Carolina Panthers, Carolina Hurricanes, New York Yankees

Silliest fact about you: I love playing video games (old school gamer)
