### RESOURCES

Here are some helpful resources for both parents and students to use at home.

#### **E-Board**

<http://tinyurl.com/jp3an2j>. Students can use this at home to practice specific skills such as states and capitals, grammar, keyboarding, current events, math facts, games, etc.

\*\*This is a Google Doc with clickable links to various academic websites and research tools for students

#### **Google Drive**

<https://www.google.com/drive>

Students can access this at home to work on projects and assignments they've started at school. To login from home, make sure they use [@anamosa.k12.ia.us](mailto:@anamosa.k12.ia.us) at the end of their username or it won't work.

#### **Infinite campus Parent Portal**

<https://anamosa.infinitecampus.org/campus/portal/anamosa.jsp>

Parents and Students can access learning summaries from home, communicate with teachers, view missing assignments, and see comments on work.

### Parent Teacher Conferences

Conferences are coming up quickly!

- :) When you sign up for conferences, please sign up with your child's **Raider Round-Up Advisor**. If you do not have access to a computer to sign-up, please contact school secretary, Steph Hora, to arrange a time at (319) 462-3553. Fall conferences will be teacher-led and students are asked to attend with their parents. We really want the students to be an active participant in their learning so we feel their attendance at conferences is really important. If you have concerns, other teachers may be available to address them. You may check the schedule outside their door of those teachers to check for an open time while at conferences.
