#### **District Goals**

Our promise is for every student in Bend-La Pine Schools to be known by name, strength and need; and to graduate ready for college, career and citizenship. To accomplish this goal, we focus resources on what matters most, including strategic goals aimed at teaching, innovation, leadership, safety and trust. Our focus is on people, starting with our teachers and school staff and extending to students, families and community partners. Everyone is valued and everyone must play a crucial role.

#### **State Goals**

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
