RECOGNITION

A. RECOGNITION OF EXCLUSIVE REPRESENTATIVE

The School Board representing the citizens of Culver School District No. 4, Jefferson County, hereinafter referred to as the "District" or "Board," recognizes the Culver Education Association hereinafter referred to as the "CEA" or "Association," as sole and exclusive collective bargaining representative for all employees of the District required to be licensed through the Oregon Teacher Standards and Practices Commission (TSPC) with the exception of substitutes, temporary teachers and administrators.

B. DEFINITIONS

For this Agreement, the following definitions apply unless otherwise indicated:

1. Employee: All unit members represented by the Association/Bargaining Council in the bargaining unit as defined in Section A above.
2. Probationary: An employee who has not completed the probationary period. An employee is probationary for their first three years of employment.
3. Temporary: Any teacher hired into a position designated as temporary by the District, where there is a need to fill in for a teacher expected to return to that position or where such assignment is based on short term funding or a short term workload.

ARTICLE 2

GRIEVANCE PROCEDURE

GENERAL

A grievance, for purposes of this Agreement, is defined as an alleged violation of a specific provision of this Agreement.

"Calendar day" for purposes of this article shall not include spring, winter or Thanksgiving breaks; but does include summer break.

All meetings and hearings under this procedure shall be kept informal and private, and shall include only such parties in interest and/or designated representatives as referred to in this Article. To the extent allowed by Oregon law, all information relative to the grievance and resolution accomplished via the procedure shall be considered exempt from public disclosure in an effort to assure confidentiality to the employee.

Failure to submit a grievance in accordance with the time limits set forth herein shall constitute abandonment of the grievance. Failure of the District to respond within the prescribed time limits allows the grievance to advance to the next level.

The District shall supply information to the association as required by Public Employee Collective Bargaining Act (PECBA), (Currently ORS 243.650 - 243.806).

The district will provide the grievant and association with written or email notice of grievance hearings and decisions at each formal level of the process, and of resolutions upon request, of either party, at the informal level.

LEVEL ONE – IMMEDIATE SUPERVISOR

In the event that the Level One Immediate Supervisor and Level Two Superintendent are the same individual, the Superintendent may, at their sole discretion, assign an alternative designee with necessary knowledge and authority to resolve the grievance for either Level One or Two.

Informal: The grievant shall first discuss the grievance with the immediate supervisor with the objective of resolving the matter informally.

Formal: If the grievance is not resolved informally, it shall be reduced to writing by the grievant who shall submit it to the supervisor within fourteen (14) calendar days after the facts upon which the grievance is based first occur or first become known to the employee. Included in the written grievance shall be:

1. A statement of the grievance and the facts upon which it is based.
2. The article or articles and sections thereof alleged to have been violated.
3. Specifically, how the facts alleged violated the Agreement.
4. The remedial action requested.

The supervisor shall render a decision in writing within ten (10) calendar days following the submission of the written grievance.

LEVEL TWO – SUPERINTENDENT

If the grievant is not satisfied with the disposition of the grievance at Level One, the grievant must file the grievance in writing with the Superintendent within ten (10) calendar days after the decision at Level One. The Superintendent may meet with the grievant. Within ten (10) calendar days after receiving the written grievance, the Superintendent will render a decision in writing.

LEVEL THREE – DISTRICT SCHOOL BOARD

If the grievant is not satisfied with the decision at Level Two, within ten (10) calendar days after receipt of the Superintendent's response at Level Two, the grievance may be appealed in writing to the District School Board of Directors. The Board shall schedule a meeting to hear the arguments of the grievant or the grievant's union representative. Within ten (10) calendar days following the hearing, the Board of Directors shall render a decision in writing.

LEVEL FOUR – ARBITRATION

If the grievant is not satisfied with the decision at Level Three, within ten (10) calendar days after receipt of the Board's response at Level Three, the grievance may be appealed to arbitration by the Association.

Within ten (10) calendar days after such written notice of the appeal to arbitration, the Superintendent and the Association will attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten (10) day period, a request for a list of seven (7) arbitrators may be made to the Oregon Employment Relations Board by either party. The parties may mutually agree to request arbitrators who reside or maintain an office in Oregon. The parties will then be bound by the AAA Rules in the selection of an arbitrator.

The arbitrator selected will hold a hearing promptly and will issue a decision not later than thirty (30) days from the date of the close of the hearing. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues submitted to the Board and the Association and will be final and binding upon the parties.

The arbitrator shall not add to, subtract from, modify, or amend any terms of this Agreement. The arbitrator shall have no power to substitute his/her discretion for that of the Board in any manner not specifically contracted away by the Board. The decision of the arbitrator within the scope of his/her authority shall be binding on the parties.

The costs for the services of the arbitrator, including per diem expenses, if any, and travel and subsistence expenses and the cost of any hearing room will be borne equally by the Board and the Association. All other costs will be borne by the party incurring them.

REPRESENTATION

Any aggrieved person may be represented at all stages of the grievance procedure by themselves or, at their option, by a representative selected or approved by the Association. At the employee's request, the Association shall have the right to file a grievance on behalf of an employee, be present and to state its view at all stages of the grievance procedure.

REPRISALS

No reprisals of any kind shall be committed by the Board, by any member of the administration or by any employee or the Association against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

ARTICLE 3 **ASSOCIATION RIGHTS AND PRIVILEGES**

Association rights and privileges shall include but not be limited to:

A. USE OF SCHOOL BUILDINGS

The Association and its representatives shall have the right of access to school buildings for any purpose, providing there is not a significant expense to the District or interference with the regular school program or events. The Superintendent shall be notified of Association presence.

B. USE OF SCHOOL EQUIPMENT

C. **BULLETIN BOARD**

The Association shall be provided space in the staff room to post association material.

D. **MAIL BOXES AND ELECTRONIC MAIL**

E. **RIGHT TO ACCESS TO EMPLOYEES**

1. The association shall have the right to make brief announcements at staff/faculty meetings.

3. Designated association representatives shall be provided reasonable paid release time, in accordance with Oregon law (currently HB2016), provided that the meetings do not interfere with the district's operations. The designee shall arrange through their supervisor for such release time.

F. **RIGHT TO EMPLOYEE INFORMATION**

1. The District shall provide, to designated association representatives, employee information in accordance with state law, and if other such information is already collected and on file.

ARTICLE 4
MANAGEMENT RIGHTS

Nothing in the Agreement shall be construed to impair the right of the District to conduct any or all aspects of its affairs and activities in any and all particulars, except as expressly and specifically modified within the terms and provisions of this working Agreement.

1. The right to determine the location and the number of schools and other facilities of the school system.

ARTICLE 6

COMPLAINTS

- A. A complaint is a criticism made against a member of the bargaining unit.
- B. In the event that the administrator involved feels that a complaint is likely to result in disciplinary action being taken against a bargaining unit member, the member will be entitled to a conference with the administrator within 15 workdays of receipt of the complaint, and before any disciplinary action is taken. The member shall be provided the specifics of the complaint in writing or email prior to the conference. In the event the complainant demands anonymity, the complainant's personally identifiable information shall be redacted.

In conformance with Oregon law, a bargaining unit member shall be entitled to have a representative of the Association present during any meeting which might reasonably be expected to lead to disciplinary action.

ARTICLE 11

Supervisors, administrators, or Board members shall use confidentiality and discretion and shall avoid criticism of bargaining unit members, especially in the presence of students, parents, or other bargaining unit members or in public gatherings. Bargaining unit members will use the same confidentiality and discretion in their criticisms of supervisors or administrators. Communications of criticism between administrators and bargaining unit employees shall not be made in a public setting.

ARTICLE 12
PERSONAL FREEDOM

The personal, religious, or political life of an employee is not a matter of appropriate concern of the Board except when such a factor negatively affects the employee's performance or significantly impairs the District's reputation and integrity.

ARTICLE 13
EVALUATION

Employees will be evaluated in accordance with the District's evaluation policy. When observations are reduced to writing, they will be scheduled for discussion with the employee by the end of the tenth (10th) working day following the observation, at either party's discretion.

An employee shall acknowledge that they have had the opportunity to review such material by affixing their signature to the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof.
- D. The employee will also have the right to submit a rebuttal to any negative material and such rebuttal shall be attached to the material.

ARTICLE 15
DUES, PAYROLL DEDUCTIONS, AND PAYMENT OF WAGES ON SEPARATION FROM EMPLOYMENT

ARTICLE 16

WORK YEAR/CALENDAR

All contracts will be based on nine and one-half months or 190 contract days, unless otherwise stipulated by mutual agreement between the Board and the members being offered the extended or shorter contract. The work year shall include seven (7) holidays, plus inservice, conference, workdays, and student contact days as determined by the Board. The District may, at its discretion, include two (2) unencumbered days during inservice to be used at employees' discretion in preparation for the school year. Extended or shorter contracts shall be prorated from the individual teacher's 190-day salary.

The salary information portion of this agreement represents the amount to be paid members of the CEA for full-time employment. Regular, part-time employees shall receive a prorated salary determined by their full-time equivalency multiplied by their placement on the salary schedule.

ARTICLE 17

This shall not preclude the District from making further changes during the summer for reasons such as resignation, leave requests, changes in enrollment, newly received funding, restructuring, new initiatives, new pilot programs, or other similar reasons the District did not know about or was unable to address prior to the last workday of the school year. If a teacher's assignment is changed, the teacher will be notified of the revised assignment as soon as the decision has been made.

Teachers assigned by an administrator to teach a class or classes for another teacher, shall be paid for each such class on a prorated basis. Teachers required by an administrator to move to a different classroom for a reason other than a change of assignment initiated by the teacher shall be paid for one (1) additional day of work on a prorated basis.

ARTICLE 19

When a student is disruptive to the educational process, and the teacher has made reasonable attempts to manage the student in class, the bargaining unit member may temporarily remove the student from class. When a conference is requested by the bargaining unit member, such student shall not be returned to the class until the administrator has conferred with the bargaining unit member. If the administrator is off campus, the student may be returned to class and a conference will be held as soon as is practical after the administrator's return. This Article is not intended to limit in any way, the District's ability to address teacher problems regarding classroom management.

A member must waive the juror's fee if the member is paid a wage or salary by the District for the days that the member is required to attend a court as a juror. The member must also provide a copy of the subpoena or other notice to be filed in the Superintendent's, or designee's, office with the request for leave.

TUITION REIMBURSEMENT

The District shall provide a lump sum tuition benefit to be used by the CEA. The total amount available to the CEA shall be equal to 50% of the base salary. The amount to be distributed to teachers requesting tuition reimbursement shall be determined by the CEA's executive committee, but shall not exceed 5% of the base salary per teacher upon the initial reimbursement. In the event that funded monies remain after the initial calculation, they may be used to satisfy requested amounts above the 5% limitation. CEA members who incurred costs toward tuition during the year September 1 to August 31, and who have successfully completed the courses for which they are requesting to be reimbursed prior to or on August 31, are to contact the CEA president not later than August 31, so that an equitable distribution of funds can be determined, and a one-time per year request for disbursement of funds be made.

The Association agrees to provide an accounting of the disbursements under this Article, including all necessary receipts of payment, transcripts or any other requested materials that the District needs to satisfy the annual fiscal audit, prior to the funds being disbursed. Funds will not be disbursed, on an individual employee basis, if all required documentation cannot be provided to the District by the Association or the employee.

ARTICLE 36

PLACEMENT ON THE SALARY SCHEDULE

1. For teachers hired after July 1, 2004, experience credit for placement on the salary schedule shall be granted for prior full years of relevant teaching experience in an appropriate K-12 situation. Questions as to proper credit and placement, including whether or not a full year of experience was gained, the relevance of prior experience and the appropriateness of a prior K-12 teaching situation, shall be resolved by the District, unless specifically described below. As such questions arise and are answered by the District, the procedures and rationale will be put in writing and provided to the Association.
 - A. The District will count credits earned outside of Degree Programs, even if earned prior to the degree, as long as they are not transferred into or required prior to, as part of the degree or base licensure, with the following stipulations:
 1. All credits must be clearly delineated on transcripts so that the District can make these determinations. Employee will assist in obtaining clarification or additional detail when needed.
 2. Credits earned as part of a degree program, in which the degree is issued only after obtaining credits needed for endorsements, will not count as credits separate from the degree; as they were earned during the actual degree process.

3. The District will make placement decisions based on the best information available using the guidelines above and any additional, official/formal information the employee can provide.
2. Extra Duty Assignments: When a teacher is hired for an extra duty position, past experience in a like position will be taken into consideration by the Superintendent or designee and the Board for experience step and pay purposes.
3. Teachers going from one educational increment to another must notify the Superintendent or designee, and provide Official Transcripts or Registrar grade reports to Payroll/Human Resources no later than September 10th of the current school year. Within the appropriate education increment column, they shall be placed on the salary schedule at the step that most nearly reflects their years of experience.

ARTICLE 37

STIPEND FOR MENTORING STUDENT TEACHERS

Cash compensation received by the District from a sponsoring college or university and intended to compensate the employee who mentors a student teacher, shall be distributed to the mentoring employee in the amount received less associated payroll and benefit costs.

Tuition vouchers similarly received by the District shall be offered to the mentoring employee who may use the voucher themselves or provide it to another employee in the District, according to the sponsoring school's voucher policy. If the mentoring employee does not want the voucher, the District may provide the voucher to another District employee on a first come first served basis, and according to the sponsoring school's voucher policy.

ARTICLE 38

REHIRE OF RETIRED EMPLOYEES

So long as they meet the requirements of the Recognition clause of the Collective Bargaining Agreement, licensed employees who retire from the District and who are subsequently rehired by the District, are members of the bargaining unit represented by the Association. Pursuant to the Collective Bargaining Agreement, all contractual rights and benefits under the Collective Bargaining Agreement will be afforded to such unit members except as those rights and/or benefits are expressly limited or set forth as exclusions in this Article, or by law.

Retirees Rehired for the Remainder of the Year in Which They Retire

Employees who choose to retire during the current contract year may be rehired to finish the current contract year or complete the current semester (whichever is appropriate to current assignment) under the following conditions:

- A. If the District requests and the employee is willing to remain in their position, they may continue to work as a temporary employee at their current contracted salary for a period not to exceed their current work year, calendar year, or the current semester (whichever is appropriate to current assignment).

- B. Employee sick leave accrued prior to retirement does not carry over. At the Commencement of re-employment, sick leave is allocated and begins to accrue as for any new hire.
- C. The District will not make any PERS payments to, or on behalf of, rehired retirees, unless required by Oregon law (currently SB1049).

Retirees Rehired for Any Year After the Year in Which They Retire

- A. The District may choose to rehire qualified retirees to fill positions within the bargaining unit, at its discretion, subject to the provisions of Oregon Law, (currently including ORS 238.082).

General Provisions

- A. Rehired retirees will be subject to the salary schedule placement restrictions of Article 36 of the Collective Bargaining Agreement and will be treated as any other new hire. They shall be placed on the salary schedule at the step that most nearly reflects their years of experience, and will advance on the salary schedule based on each year of employment.
- B. Retiree sick leave accrued prior to retirement does not carry over. At the commencement of reemployment, sick leave is allocated and begins to accrue as for any new hire.
- C. The District will not make any PERS payments to, or on behalf of, rehired retirees, unless required by Oregon law (currently SB1049).

ARTICLE 39
