The Early Childhood School Central

70 Montgomery Street
NWK, N.J.
973-733-7257

Welcome to Our School

ECS Central at Samuel L. Berliner

While attending the Early Childhood School Central at Samuel L. Berliner your child will receive a high quality and meaningful early learning experience. The early foundation each and every student will obtain will prepare them for kindergarten and beyond.

Our curriculum encompasses the following components;

- 🍎 Approaches to Learning
- 🍎 English Language Arts
- 🍎 Health, Safety and Physical Education
- 🍎 Mathematics
- 🍎 Science
- 🍎 Social Emotional Development
- 🍎 Social Studies
- 🍎 World languages
- 🍎 Technology
- 🍎 Visual and Performing Arts

Enrichment Opportunities

offered daily include;

- 🍎 Literacy Grant offered through Foundation for Newark's Future.
- 🍎 Science, Technology, Engineering and Math program offered through STEM.
- 🍎 Physical Education program offered through CATCH.
- 🍎 Extended School Day

Letter from the Center Director

Our Program offers a wide range of educational experiences and enrichment opportunities based on the education of the whole child and kindergarten preparedness.

Our commitment is to prepare and assist our students to attain their academic, social and emotional potential. With this purpose in mind, our families play an integral role. Sustained parent and school partnerships will ensure our students are empowered with the tools needed for success. Together we will continually strive for excellence each and every day to develop the youngest learners into tomorrow's leaders.

Yours in service of the youngest learners, Center Director, Marialana Juliano
