The diagram shows a perspective view of a rectangular room. A central rectangle represents the back wall. From its four corners, four lines extend outwards to the corners of a larger rectangle, representing the floor and ceiling planes. The entire diagram is set against a light gray background. Labels are placed outside the main drawing area: 'Ceiling' at the top, 'Floor' at the bottom, 'Left Wall' on the left, 'Right Wall' on the right, and 'Back Wall' centered below the back wall rectangle.
