# 107 Countries and Growing Since the Group Formed March 11, 2020

We want to welcome our OATK12 members, who are literally from all over the world. During this global pandemic and growing emergency in most of the world's countries, we thought it would be nice to see **WHO** we are and **WHERE** we come from. In a way, this feels like the "Art Education Olympics" and this document is the opening night that the world pauses for and watches every four years. I would say this Facebook Group is every bit as magnificent as that colorful, creative Olympics opening session is! Thanks for joining this service project by art teachers for art teachers. Together we ART better!

**Drum Roll Please!** See the amazing list of countries, top ten countries, and top ten cities! But we know all of the countries and cities are important! We love that we are GLOBAL! Art education is a powerful tool – world changing! Especially now!
