Manager of Participant Engagement
(225) 663-5501
richard.massingill@empower-retirement.com

★ Agencies within Madison, Hinds, and Rankin counties are served by the above representatives.
Please feel free to reach out to either of them for assistance.

Click here to schedule a free one-on-one meeting, call your local MDC representative,
or call **(800) 846-4551** if you are unsure which representative to contact.

ENROLL TODAY: START SAVING FOR YOUR FUTURE

A little change can make a big difference

Once you have enrolled in the Mississippi Deferred Compensation (MDC) plan, consider the potential results of your contributions. You can start contributing to MDC with as little as \$25 per month. Look at the difference even a small change in the amount can mean as it grows over time for your retirement.

1. To start the enrollment process, make sure you have the following information:

- Plan Enrollment Code: **FVTA6tFv** (*expires 10/01/20*)
- Group ID / plan number: **98949-01**
- Social Security number
- Current annual income
- Date of hire
- Full division name (name of your employer)
- Beneficiary information (Social Security number, birth date, phone number, and mailing address)

2. To enroll online:

- Visit **www.mdcplan.com**
- Click on *REGISTER* under *Participant Login*
- Select the *I have a plan enrollment code* tab
- Complete your information and follow the prompts to complete enrollment
- The enrollment process will be complete after you select *Enroll Now* at the end of the guided process

3. For questions, or assistance with the enrollment process, find your local MDC representative using the map on page 1, or call (800) 846-4551.

4. For future visits to the website, **www.mdcplan.com**, enter the username and password you create during enrollment, and select **SIGN IN**.

Congratulations! You have taken a big step toward meeting your retirement goals.

FOR ILLUSTRATIVE PURPOSES ONLY. This hypothetical illustration is not intended as a projection or prediction of future investment results. It is intended to show how the number of years invested in the plan could affect participant account values. It assumes monthly contributions, an annual 6 percent hypothetical rate of return, reinvestment of earnings, retirement age of 65, and no withdrawals. This illustration does not reflect any associated charges, expenses, or fees. The tax-deferred accumulation would be reduced if these fees were deducted.
