

ONLINE Textbook Instructions

All seventh grade social studies students at Abington Junior High School will use the World Geography textbook.

There is a class set of World Geography textbooks for student use in each of the 7th grade social studies classrooms.

However, when students are not in their social studies classroom they will access the textbook ONLINE via the following website:

www.abington.k12.pa.us/resources/

Abington School District
Instructional Resources

Chrome Apps, Google, Google Classroom, Google Drive, SAFARI MONTAGE, SKYWARD, Set ASD Network Password, ASD Homepage, CompaLearning, Study Island, **GO MATH World Geography**, JOURNEYS Fusion, READ180, READ180, Student Logon, Teacher Logon

Elementary Resources
Library Resources: Senior High | Junior High | Elementary

Click on the icon that includes both "GO MATH" AND "World Geography"

Underneath "Enter Your Password" please enter your **PASSWORD** for your Abington School District Google account and then click "**NEXT.**" If you forget your password you will need to ask a teacher to call Technology to reset it.

Underneath "Enter your email" type your **STUDENT ID NUMBER** and then click "**NEXT**"

If you have multiple classes this year that use an online textbook from this company (e.g., *Go Math Textbook AND World Geography textbook*), then below is the screen you will see when you have successfully logged in:

First, click on the drop-down box in the upper right-hand corner to show the different online textbooks you can access. In the drop-down box highlight and select the **“World Geography”** option.

After you select “World Geography” in the drop-down box you will see a new icon underneath the “My Resources” header. You should click on this icon that states **“Go to the Online Textbook.”**

When you have successfully logged in you should see the screen below:

When you are finished click the **“Log Out”** button in the upper right-hand corner.

Click the **“Go to the Online Textbook”** link to access the World Geography book online which should take you to page shown below.

1.) Click the **“Select a unit or chapter”** drop-down box to jump to a specific part of the textbook.

2.) Next, click the **“Select a section”** drop-down box to jump to a specific section of that unit or chapter in the textbook.

3.) Finally, click **“GO!”** to jump that part of the textbook.

Welcome to World Geography Online Edition

WHAT'S INCLUDED

This online version of *Holt McDougal World Geography* features not only your textbook, but also a variety of interactive materials that will enhance your learning experience.

Premium Access

Access more chapter-specific Multimedia Connections with History® videos and download the Student Edition for your eReader.

Book Pages

Student Resources

How To Get Started

Step 1.
Select a chapter and a section.

Step 2.
Select a tab to view content related to that chapter and section.

Plug Ins

You will need the following browser plug-ins to view the features on this site:

- [DOWNLOAD](#) Flash 10+
- [DOWNLOAD](#) QuickTime 6.5.1+
- [DOWNLOAD](#) Shockwave 8.5.1+
- [DOWNLOAD](#) Acrobat Reader 7+

Whenever the online textbook is **NOT** working, please check to see if **FLASH PLAYER** is enabled in your internet browser.

To “Allow” Flash Player to work in **Google CHROME** follow these steps:

1.) Click “**LOCK**” symbol to the left of the address bar

2.) Next, click “**SITE SETTINGS**” in the drop-down menu which will open a new tab in your window

3.) Then find “**FLASH**” and click drop-down menu to change setting from “**ASK (default)**” to “**ALLOW**”

4.) Go back to tab with online textbook and click “**RELOAD**” at top of screen (or click refresh or hit “**F5**” key)

PLEASE NOTE that you will probably have to repeat these steps to allow Flash to run **EVERY TIME** you open Chrome and use the online textbook.

If you know the exact page number in the book you're looking for...

1.) Click on the “**Book Pages**” tab in the blue bar under the drop-down boxes.

2.) Type in the page number in the textbook that you want to jump to in the box that appears and click “**Go!**”

Follow the directions below to access the ATLAS, the GLOSSARY, the INDEX, the GEOGRAPHY AND MAP SKILLS HANDBOOK, or any other section of the textbook that is found on pages starting with a *LETTER* (Example: the Atlas begins on page R31 in the textbook)

1.) Click on the “**References**” tab in the blue bar under the drop-down boxes.

2.) Once the “References” page loads, please click on the link to access the section of the textbook you are looking for. A .pdf file of that section of the textbook will open in a new window. (*Make sure you have the pop-up blocker disabled and the latest free version of Adobe Reader installed on your computer.*)

I RECOMMEND DOWNLOADING AND SAVING THESE FILES ON YOUR HARD DRIVE FOR QUICKER ACCESS IN THE FUTURE.

If you want to listen to a podcast of a section of a chapter, first select the chapter and section from the drop-down boxes. Then click the **“AUDIO”** tab. Then you can click **“LISTEN”** to stream the audio of the chapter or **“DOWNLOAD”** to download an MP3 of the section.

If you seem to get stuck when clicking **“NEXT”** while reading individual pages of the online textbook, you might want to download a .pdf of each unit of the textbook to read instead. Click the **“PREMIUM STUDENT”** tab and then you can click on the bullets to expand each unit to see which chapters are in that unit. Then you can click **“PDF”** to download a PDF file of the entire unit and save it to your hard drive to read easier.

***If you click on tabs like Resources or Audio and get a blank page, it is because Google Chrome automatically disables Flash. Click the link on the opening page to download flash player. If it's already installed, but disabled in Chrome, Chrome should ask if you want to activate it; do so.

If World Geography is the only class you have using an online textbook from this company, then below is the screen you will see when you have successfully logged in:

IF you have a problem accessing the online textbook please click the **“Web Checker”** link to make sure that you have the latest versions of some key plug-ins (e.g. *Adobe Reader, Chrome or Firefox, etc.*) installed. Once you click **“Web Checker”** the screen below should open (*make sure pop-up blocker is disabled.*) Please note that these are recommendations, and the website will often still work even with some plug-ins missing or being older versions.

HRW Compatibility Check Results Report

NOTE: Resources and assessments on the site may open in a new window or tab. Please turn off your pop-up blockers while using the site or add the mcdougal.com domain to the exception list for your pop-up blocking utility.

The items marked with X do not meet the minimum system requirements. After you make the required changes, [run the check again](#) to confirm that the requirements are met.

[Click an icon to learn more about the system requirement.](#)

	Operating System	Win XP	<input checked="" type="checkbox"/>
	Browser	Internet Explorer 8 on Windows	<input checked="" type="checkbox"/>
	JavaScript	Javascript is Enabled	<input checked="" type="checkbox"/>
	Cookies	Enabled	<input checked="" type="checkbox"/>

Any items that have a green check mark in the box at the end of the row are up-to-date and there is nothing further that needs to be done.

Any items that have a **RED “X”** in the box at the end of the row can be updated. Please click on the link in the sentence where it says **“Get the Latest Version.”** Please note th

OTHER TROUBLESHOOTING SUGGESTIONS

For most people the online textbook works perfectly, and if needed the “Web Checker” fixes some issues, but here are other common fixes students have used:

- 1.) If a page won't load, **push the “F5”** key on your keyboard (or click **“refresh”**)
- 2.) Close all your internet browser windows, then open a new window & login again
- 3.) **TRY A DIFFERENT INTERNET BROWSER.** Mozilla's Firefox & Google's Chrome browsers (*both are free to download*) seem to work the best.
- 4.) Try a different device (*e.g. try a parent's computer*)
- 5.) Run an anti-virus & anti-malware scan on your computer
