

What: 2/14 Red Scavenger Hunt Photo Shoot

Why: A fun photo shoot to show your photography skills and knowledge of Composition and Elements of Art.

How: First, view the lesson to learn about Composition. Then create 14 different photos of 14 different red items using at least 2 composition techniques in 2 of your photos. Make 2 variations of each photo. Can be cell phone or DSLR. All photos must show correct exposure and focus, have a focal point, and fill the frame. Post your photos directly to Google Classroom, not in slides. Name your photos and include the name of the composition technique it shows.
