Videos

Brain Games (Netflix)

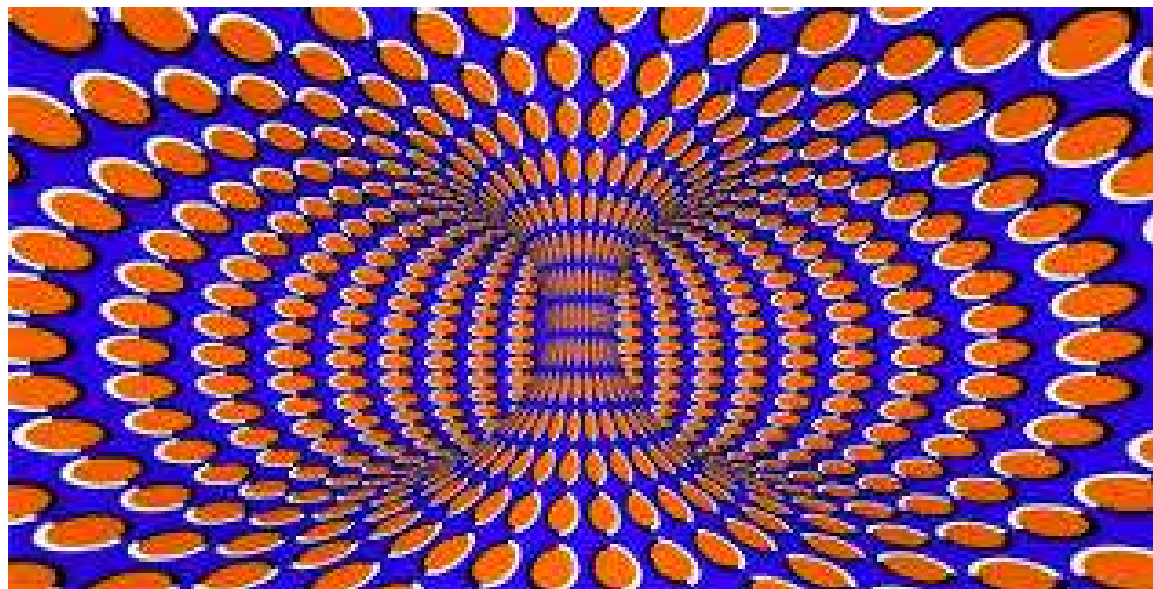

Season 2: 8- Seeing is Believing (best one I think)

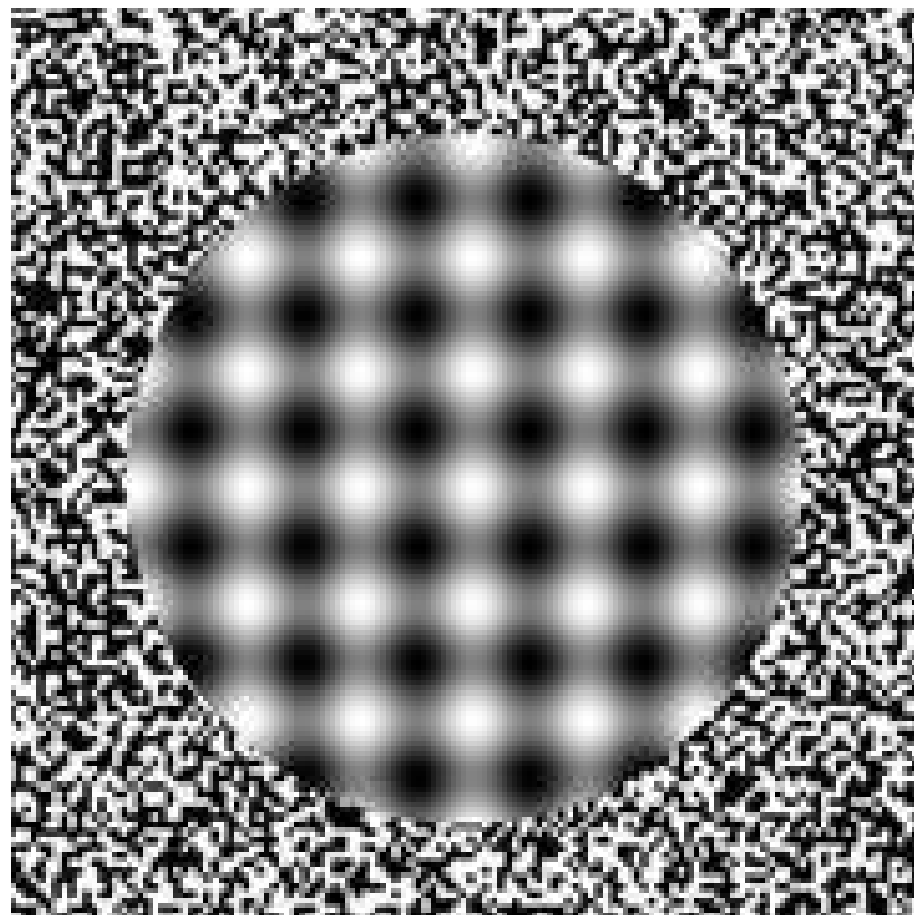

Season 2: 11- Illusion Confusion (a lot of perception stuff)

Season 3: 1- In Living Color (talks about color a lot, the end is lame)

What colors
do you see?

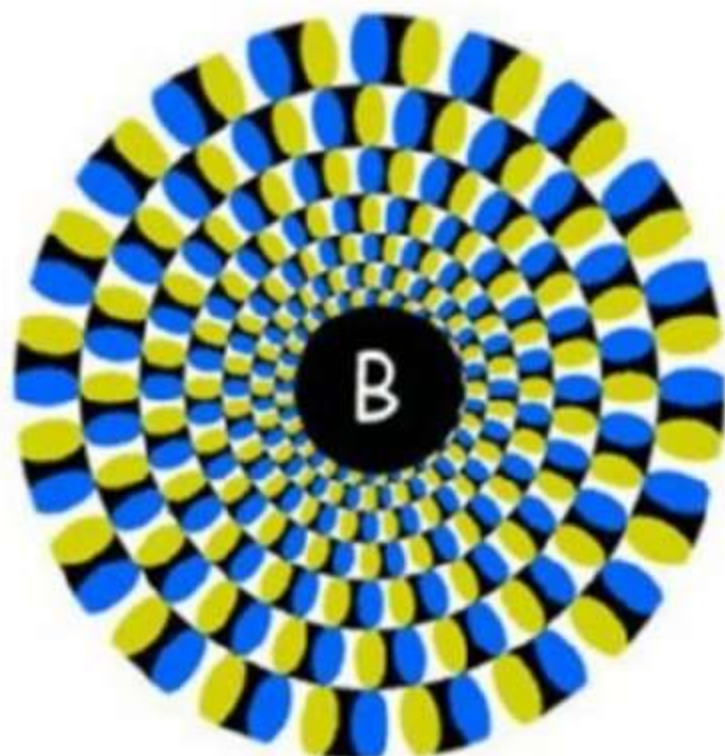

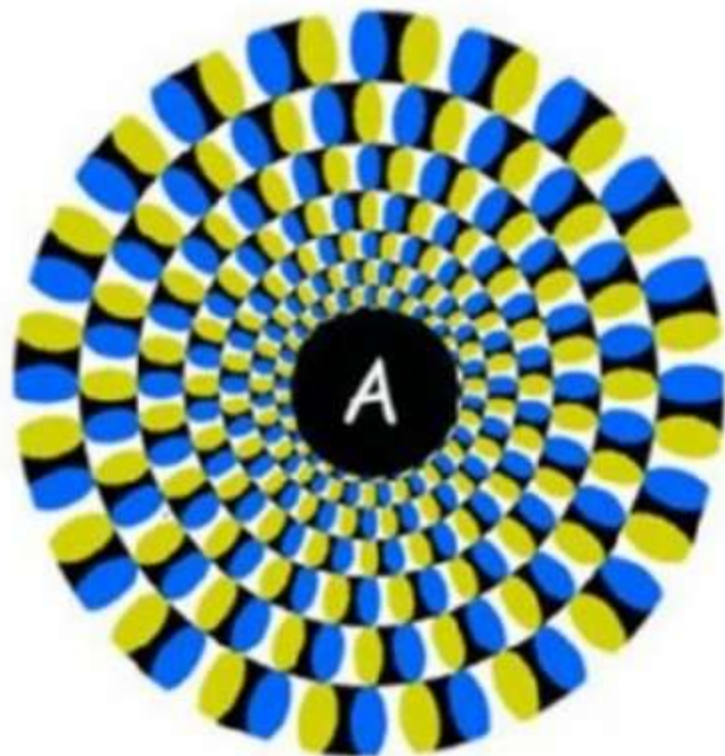

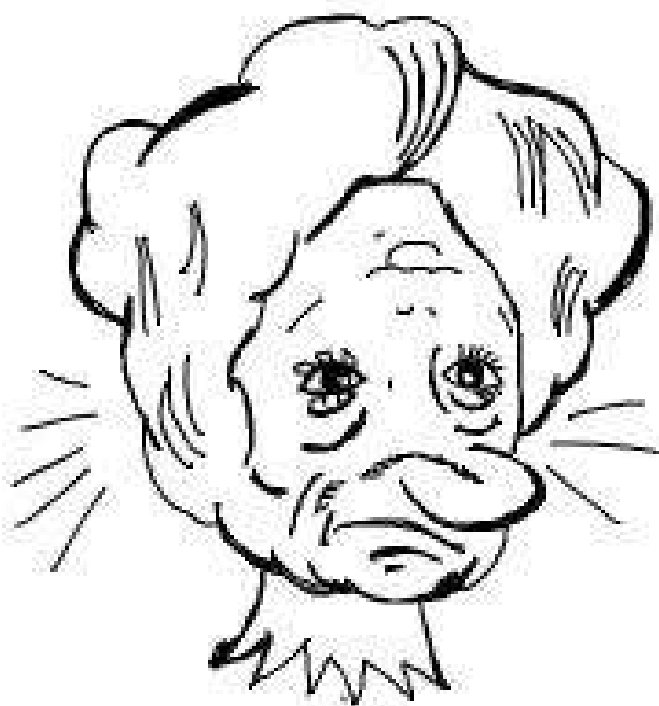

A simple question.

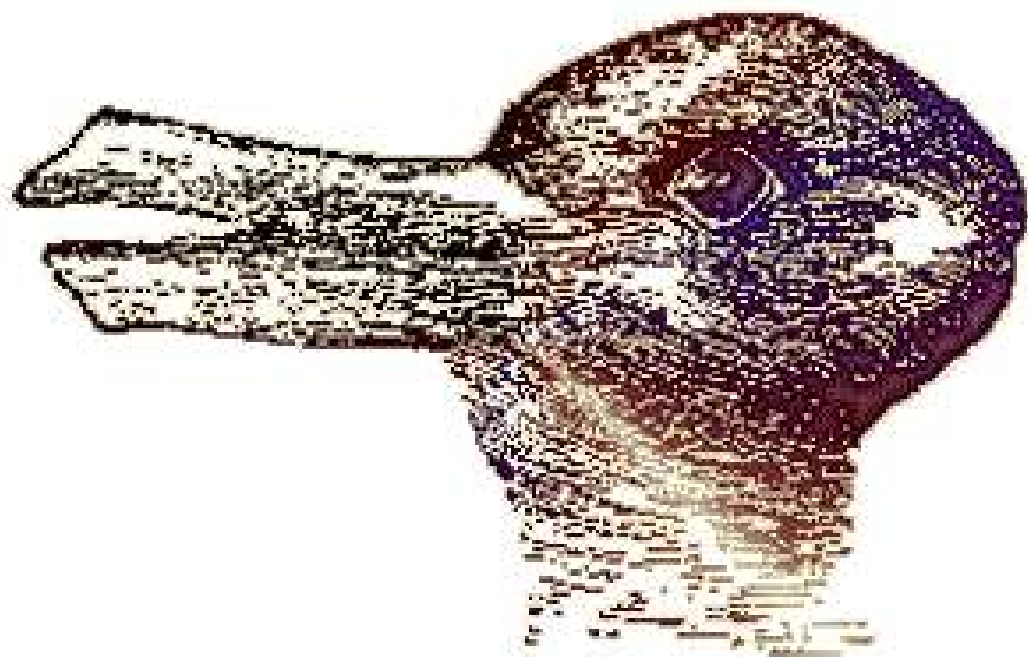

Which disc is turning faster ... A or B ?

Look carefully at the center dots on both the left and right.
Which dot is bigger?
