		Understand importance of asking questions
	Notes From a Lecture	Apply note taking skills to a lecture format
		Practice outlining to take quality notes
	Notes From a Text	

Options EHS Strategies for Academic Success		Scope and Sequence
Unit	Lesson	Objectives
		Explain the steps for SQRW
		Apply outlining techniques to notes from a text
	Compare and Contrast Graphic Organizers	
		Describe purposes of compare and contrast organizers
		Demonstrate use of compare and contrast organizers
	Cause and Effect Graphic Organizers	
		Identify types of cause and effect organizers
		Describe purposes of cause and effect organizers
		Demonstrate use of cause and effect organizers
	Topic Test	
<b>Memorization Techniques</b>		
	Remembering Through Repetition	
		Define repetition as a strategy for remembering information
		Describe the steps for using repetition
		Demonstrate the use of flashcards to memorize information
	Using Acronyms	
		Describe acronyms as a strategy for remembering information
		Describe the steps for using acronyms
		Demonstrate the use of acronyms to memorize information
	Rhyming and Keywords	
		Describe rhyming and using keywords as a strategy for remembering information
		Demonstrate the use of rhyming and using keywords to memorize information

Options EHS Strategies for Academic Success		Scope and Sequence
Unit	Lesson	Objectives
	Visualization and Categorization	
		Describe visualization and categorization as a strategy for remembering information
		Describe the steps for using visualization and categorization
		Demonstrate the use of visualizing and categorizing to memorize information
	Topic Test	
<b>5 Steps to Test Preparation</b>		
	Step 1 - Determine What to Study	
		Explore study preparation strategies
		Define and create a study activity checklist
	Step 2 - Organize Notes	
		Describe procedures for organizing notes
		Create a graphic organizer to synthesize notes
	Step 3 - Compile Study Materials	
		Identify materials for efficient studying
		Practice creating potential questions for tests
	Step 4 - Apply Memorization Techniques	
		Select from applicable memorization techniques to use in test preparation
	Step 5 - The Day of the Test	
		Identify test preparation strategies and their importance on test day
		Identify strategies to overcome test anxiety
	Topic Test	

Options EHS Strategies for Academic Success		Scope and Sequence
Unit	Lesson	Objectives
<b>Test Taking Strategies</b>		
	Testing Tactics	
		Explore test taking strategies that apply to all types of tests
	Best Answer Tests	
		Examine characteristics of best answer tests
		Apply best answer test taking strategies to correctly answer questions
	Response Tests	
		Examine characteristics of response type questions
		Apply response test taking strategies to correctly answer questions
	Open Book Tests	
		Examine the characteristics of open book tests
		Describe open book test taking strategies
<b>Cumulative Exam</b>		
	Cumulative Exam Review	
	Cumulative Exam
