

Cell Trading Cards

The world-famous trading card company, Upper Cell Deck, has hired you to create a trading card for each cell organelle on your “Cell Organelle Research Worksheet.” Each trading card must include the following:

1. On the front of the card,
 - a. drawing of what the organelle looks like
 - b. Nickname
 - c. Superpower (this must be connected to function)
2. On the back of the card, you should list:
 - a. The name of the organelle.
 - b. Where it can be found. (plant cell? animal cell? or both?)
 - c. The organelle's function.
 - d. A function from your home that works like the organelle.

Procedure: To make the trading card:

1. obtain notecards from your teacher.
2. Punch a hole in the corner of each card.
3. Draw the organelle on the blank side of the card.
4. Write the required information on the lined side of the card
5. Write your name on the front of each of your trading cards.
