

Organic Chemistry Digital Escape Room

The Bayer headquarters have been hacked by the evil Dr Alsipscler. Find the code to neutralize the virus. GCSE content on chemical tests, combustion, balancing equations, fractional distillation and functional groups. All photos kindly supplied by Bayer.

Click on the link below to enter the escape room. On the following slide document your progress and make sure you record the access code!

[ENTER HERE](#)

You may need scratch paper to keep track of clues and a periodic table!

12 digit code - all lower case

12[illegible]
