Does the class
“meet” in person?

On Site Final Exams

Global Campus does not meet in person, but some of the courses require an onsite final exam. Be sure to read the syllabus the first day to plan ahead if a final exam onsite is required.

Open Media Center Hours

The media center will be open Monday - Thursday for select hours during the summer. A Global Campus staff member will be available to answer any questions, provide help and support, or just provide a quiet space to study.
