Attendance Policy

State Policy: Students must attend school. Any student who is absent 18 days of school (or 18 days in a full year course; 9 days in a semester course; or 5 days in a quarter course) is subjected to a loss of credit.

When your child is absent for the entire day, is tardy and misses a portion of first block or leaves early, he or she is missing vital instruction. We cannot move the students through the necessary curriculum to be prepared for the next grade/course if they are chronically missing instruction.

House System

Two Houses

- 8th Grade House
- Freshmen House
- Each month there is one house meeting where the entire house meets to build a sense of unity in the house. Whole group events and competitions are designed to help students develop their social and interactive skills outside of the classroom setting.

Advocacy Groups

- Each staff member is assigned a group of 7-8 students for their advocacy group. These groups meet once per month. Students interact in small groups to develop skills in time management and social emotional development.

House and Whole School Events

- Special events are held to celebrate student successes as well as encourage students to continue to work toward their goals – in school, in athletics, or in their community.

Student Support Team

Ms. Stainfil – 9th Grade Counselor

Mrs. Berry – Social Worker

Ms. Romero – 8th Grade Counselor
