Each regular employee shall receive a minimum of ten (10) days sick leave per year or one (1) day per month employed, whichever is greater. Accrual of unused sick leave shall be unlimited. ARTICLE 9 - LEAVE WITHOUT PAY

When an employee has exhausted all paid leave or is near that point and needs to be away from the District the employee can request to be put on Leave Without Pay status up to one year. Where legally obligated the District will grant the request. In all other situations the District will consider the application and grant the leave in accordance with District policy. Any denial shall come with a written explanation of why granting the leave is not possible. Any denial at the Superintendent level may be appealed to the Board.

The payment will be based on the deceased's rate on the current established salary schedule at the time of death.

For employees hired after September 1, 2004, the District agrees to contribute \$3.05 per month to an OEGB Life Insurance Policy.

ARTICLE 12 - MEAL REIMBURSEMENT

Meal prices will be reviewed and adopted by the board annually. If there is a case in which an employee is required to purchase a meal that costs more than the amount designated by the board, due to events beyond their control (i.e. location, or a team dinner authorized by an immediate supervisor or coach) they will be reimbursed at the face value of the meal. The employee will be required to provide receipts and must request reimbursement within the fiscal year in which the authorized expense occurred.

For those employees who choose an OEGB Health Saving Account Plan, the District shall provide a monthly maximum contribution of up to \$849.67 toward the health insurance premium and an additional monthly contribution to the District's determined employee's HSA in the amount of \$258.33 each month.

If available, at least one high deductible plan that qualifies the employee for HSA participation shall be offered to members.

The District and the Association may discuss adjustments in the level of benefit upon request of either party.

The Association and District enter into this Agreement with the understanding that the District has a continuing practice of providing all employees with insurance benefit contributions that have been equal across all employee groups. Therefore, the parties agree that the Association shall have the right to bargain under ORS 243.698 Article 15, Compensation, and Article 14, Insurance, given the District decision to increase the insurance benefit contribution for any other employee groups of the Lowell School District above the rate identified in Article 14, Insurance, of this Agreement.

The District shall "pick up" and assume and pay a six percent (6%) employee-contribution to the Public Employees Retirement Fund as required by ORS 237.071 for the employee members participating in the Public Employees Retirement System. Such "pick up" or payment of employee member monthly contributions to the system shall continue for the life of this Agreement. The full amount of required employee contributions "picked up" or paid by the District on behalf of employees pursuant to this Agreement shall be considered as "salary" within the meaning of ORS 237.003 (8) for the purposes of computing an employee member's "final average salary" within the meaning of ORS 237.003 (12) but shall not be considered as "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to ORS 237.071. Such "pick up" or paid employee contributions shall be credited to employee accounts pursuant to ORS 237.071 (2) and shall be considered to be employee contributions for the purposes of ORS 237.001 to 237.320.
- C. The Association and all employees in the bargaining unit agree to hold the District harmless against any and all claims, suits, orders or judgments brought against the District as a result of the section. ARTICLE 17 - REGULAR ROUTE BUS DRIVER PAY

Regular Hours

Each bus driver shall have designated start/end times for his/her scheduled workday, which may include a split-shift day. Included within the workday are times set aside for bus safety check out, bus washing/cleaning, clerical duties, and other related transportation responsibilities. The District shall assign the routes and other duties. A fulltime bus driver shall work as much as possible between 32.5 hours and 40 hours per week

Trip Eligibility

Trips are open first to qualified classified employees unless the trip would put the employee over (40) forty hours in one week. The District may assign a trip to a driver and the driver shall be required to perform the assigned trip.

When trips are scheduled throughout the year, the Director/Supervisor shall notify all drivers. Due to the changes within the hours and assignments for bus drivers (e.g. bus driver/ custodian, bus driver/grounds keeper, bus driver/food service worker, bus driver/educational assistant, bus monitor/educational assistant), the Supervisor will determine trip assignments, and when possible, shall be based on, but not limited to, seniority and compatibility of contract time.

The rate of pay for Regular Route Drivers shall be computed using the classified employee pay scale and using all step pay increases based on years of employment.

ARTICLE 18 - TRANSPORTATION SERVICES

The District provides transportation services on a year-round basis and the District requires the flexibility to schedule bus drivers as needed. Those drivers hired prior to July 2014, will be given the opportunity to drive trips to accrue 1144 hours. Bus drivers fall into a unique category regarding trips/hours/ duties and calendar worked per year. Bus drivers must work a minimum of 1144 hours per year to receive health insurance benefits.

As student needs fluctuate, work hours, work days and work duties may vary, on an annual basis. To enable bus drivers to attain their minimum number of work hours, the District is free to assign bus drivers to perform transportation duties and offer non-transportation assignments, throughout the year, with an hourly pay consistent with the offered duty (e.g. doing custodial work and being paid at the custodian range) on annual basis.

ARTICLE 19 - BUS ROUTES AND EXTRA TRIPS

Field and sports trips are defined as extra trips or trips other than regularly scheduled LSD, or special education bus routes.

To meet the needs of the District, bus routes and extra trips will be assigned by the District, with a preference to seniority. Request for certain routes and trips will be honored, as long as it is in the best interest of the District. If an extra trip is canceled in such short notice, within 8 hours of the scheduled trip, that causes a driver to miss one or more regular routes in that workday, the driver will be compensated for the time that ordinarily would have been worked on the regular route(s).

Regular routed and extra trip hours will begin to accrue from the time the driver leaves the LSD Bus Barn to the time the driver returns to the LSD Bus Barn. Overnight trip responsibilities, beyond the actual driving, shall be directed by the administration and may include the monitoring their bus or assisting in the supervision of the students. Overnight layover time shall be paid as regular time, except eight (8) hours of pay shall be deducted from the layover time for sleeping and eating.

The District may assign the driver to the Senior Graduation Trip. Overnight layover time for the Senior Graduation Trip shall be paid as regular time, except fourteen (14) hours of pay shall be deducted from the layover time for sleeping, resting and eating.

Drivers are to be compensated for a minimum of one (1) hour at the employees' regular rate of pay each time they report for a route(s) or extra trips. Drivers' who receive a stipend for coaching and are assigned to drive for a trip, shall not be paid for the hours in which they are performing the responsibilities associated with the stipend they are being paid.

For the purpose of driver's compensation, other than driving or layover time, duties performed accrue as follows:

- Each route, field or sport trip will accrue a combined minimum of fifteen (15) minutes compensation for pre- and post-trips. When assigned the following duties, Drivers accrue a minimum of fifteen (15) minutes compensation for fueling a bus. Drivers accrue a minimum of fifteen (15) minutes of compensation for cleaning a bus. Drivers accrue a minimum of fifteen (15) minutes per week for meeting time. Meeting time may include scheduling and staff meeting time.

ARTICLE 20 - PHYSICAL EXAMINATIONS

Bus drivers will be reimbursed for physical/EKG examinations required by the District and/or state law for physical exams completed at the District designated medical facility. Drivers may choose to complete the required physical at a medical facility of their own choosing, and shall be reimbursed to a maximum of \$100.00. The District will also reimburse for the cost of an EKG required by law. The District may, at their option, select the physician for such required physicals and/or EKG.

ARTICLE 21 - HIGHLY QUALIFIED SUBSTITUTES

It shall be the District's intent that Instructional Assistant Substitutes be highly qualified and trained. Bargaining Unit Instructional Assistants may be allowed to comment in writing regarding the performance of Substitutes by reporting problems or praise to their Administrator.

ARTICLE 22 - SAFETY AND HEALTH

The Association will be granted the opportunity to appoint a classified employee to the District Safety Committee on an annual basis.

Any Employee who believes that an assigned duty is unsafe shall report this information to their supervisor. The Employee may be assigned other duties pending investigation. There will be no loss of pay or any other retaliation for asserting this right. The Employee asserts this right by contacting their Supervisor, the Superintendent or the Association.

A time and place agreed to by both parties. With mutual agreement, either party can invite non-voting guests to attend to facilitate the business of the committee.

District and employee issues that do not augment this agreement can be discussed by either party. The Chair will rotate between the Association and the board.

Minutes will be made available to all employees.

ARTICLE 24 - LAYOFF/RECALL

In the event of the elimination of positions in the bargaining unit during the term of this Agreement, layoffs within each affected job classification shall be determined by the District on the basis of the employees' seniority within such job classifications. When job classification dates are the same, District seniority shall apply. The District reserves the right to vary from strict seniority when it determines operational needs for special occupational skills are required. Job performance shall be controlling when the District determines that two or more employees have equal seniority.

An employee subject to be laid off may bump into a lower classification in the District in which that employee has previously worked and remains qualified. The employee bumping into the lower classification would then be considered for layoff on the same basis as other employees in the lower classification under the criteria previously specified in this Article.

Employees laid off will be eligible for recall to the job classification from which they were laid off for a period of twelve (12) months from the date of the layoff. Failure to respond to notice of recall within five (5) days of notification shall be considered immediate voluntary termination.

Seniority shall be computed from the first date the employee was in a paid status with the District. Approved leaves of absence shall count for purposes of seniority compensation.

ARTICLE 25 - POSTING OF VACANCIES

Except in an emergency or when it interferes with the proper provision of District service, the District shall post a notice, via email to staff, of vacant bargaining unit positions at least five (5) days prior to the closing date for accepting applications for the position(s). Such postings shall be at the regular reporting stations of bargaining unit employees, including the bus barn and notices shall be sent to the local Union President. When two or more employees apply for the same position and the District in its sole judgment determines the employees are equally qualified; selection should be based on seniority within the District.

Each employee no later than July 1 for full-year employees, or Aug. 30 for school-year employees shall be assigned a fixed, regular and ascertainable minimum number of hours per day, days per week, and months per year. Nevertheless, adjustments in the work year and length of the workday schedule may be made at the discretion of the Superintendent based upon operational needs and financial circumstances of the District.

Adjustments made to the start/end time of an employee's assigned workday schedule, shall take place at the discretion of the District, with a five day notice of the change provided to the employee and Association by the District.

Compensatory Time shall be paid/calculated, when exceeding 40 hours during the work week, at a rate of one and one-half (1 ½) time.

The intent of compensatory time is allowing the employee time off in lieu of pay for irregular or occasional overtime work. No employee may accrue more than forty (40) hours of

compensatory time in any year. All compensatory time shall be given prior approval from the Superintendent or his/her designee. Supervisors shall adhere to the forty (40) hour cap and will schedule the use of compensatory time off as soon as possible when such time off is most feasible and conducive to their department. Compensatory time may be used at other times of the year with prior approval from the employee's immediate supervisor. Should an employee accrue more than forty (40) hours the overage shall be paid out in the most appropriate pay cycle. All unused compensatory earned shall be paid out in June before the end of the fiscal year. Compensatory time cannot be carried over to the next fiscal year.

Break Periods:

Break periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee. Employees shall receive one (1) ten minute break for every four (4) hours worked during the day.

Employees who work six (6) to eight (8) hours per day shall be assigned two (2) ten (10) minute break periods.

The District agrees to review the operational practicality of adopting a four day work week, ten hour day work schedule during the Christmas, spring and/or summer recess periods. Employees may request in advance to work these hours. In the event the District determines such modified work schedule is operationally acceptable, and after conferring with affected employees, it will give consideration to adoption of such work schedule. Further, during such 4-10 schedule accrued leave would be taken on an hour for hour basis.

Call back:

When custodial employees are called back to work by the District outside their regularly scheduled day for such reasons as emergencies from vandalism, fire, theft, damage, and other causes, and such work is not annexed to the beginning or ending of their work shift, they shall be compensated for a minimum of one (1) hour of work at the employee's regular rate of pay.

Prior to September 1 of each school year, custodians wishing to work on Saturday or Sunday shall make their desire known in writing to the supervisor designated by the District to receive the request.

When a Saturday or Sunday assignment is contemplated, the District official shall offer the opportunity to work the day(s) to the first person listed on the rotation board for the building. If the person accepts or declines the offer, his/her name shall be moved to the bottom of the list. The offer of assignment or of the next assignment shall be made to the next person listed. This person's name shall then be moved to the bottom of the list and so on until all persons have had an opportunity for an assignment whereupon the rotation shall begin again. As an exception to this rotation, the District specifically reserves the right to vary from such rotation list where in its sole discretion it deems it necessary to assign a particular employee to work the Saturday or Sunday due to a District determined need for special skills or qualifications.

In the event that no one on the list accepts the assignment, the District may assign any person on the list to the assignment provided no employee shall be assigned consecutively to an involuntary Saturday or Sunday assignment unless it is done by the District under the

exception listed in the paragraph above. An involuntary assignment shall not cause rotation of names on the rotation board.

Employees who indicated a desire not to work on Saturday or Sunday or who fail to indicate a preference will not be required to work on Saturday or Sunday except where such employee volunteers for such assignment and the District agrees to such assignment; secondly, in the event the District determines in its sole judgment an emergency exists or a particular assignment requires special skills or qualification; or thirdly, where the District has insufficient personnel signed up on the rotation board to meet District staffing needs. Overtime for work on Saturday or Sunday will be paid only when it causes the employee's work hours to exceed forty (40) within a District designated work week or to exceed eight (8) hours or ten (10) hours in the employee's District designated work day. Except in cases of emergencies when possible, the District will make efforts to give employees at least five (5) regular school days prior notice of assignment.

ARTICLE 27 - DISCIPLINE/DISCHARGE

Disciplinary action may be imposed upon any employee for failing to fulfill their responsibilities as an employee. Discipline shall be done progressively (example verbal, written warning, work plans, suspension, demotion and finally dismissal.) Reasons for disciplinary action also include, but are not limited to: misconduct, malfeasance, withholding of information with intent to deceive, willful violation of rules, willful giving of false information.

During the first six (6) months of employment, an employee shall be considered a probationary employee and shall serve at the pleasure of the District and may be dismissed without recourse except as permitted by law.

An employee who has been disciplined will have an opportunity to include a statement in his/her personnel file.

No dismissal action will be taken against any employee without due process. Due process is defined for the purposes of this Article to be:

1. The employee will be notified in writing of the charges and given the information forming the basis for the dismissal as soon as possible after the investigation and decision
2. An investigation of what led to the discipline shall be conducted.
3. The employee will have the opportunity to respond to the charges with representation present.
4. The employee will have the opportunity to discuss the matter with the Superintendent or a representative designated by the Superintendent with representation present.
5. The employee will have the right to be represented.
6. Upon written request received by the District within fifteen (15) days of the date of the dismissal, the employee will be granted a hearing before the Board concerning the reasons for dismissal.

ARTICLE 28 - GRIEVANCE PROCEDURE

For purposes of this Agreement, a grievance is defined as a dispute about the meaning or interpretation of a particular clause of this Agreement, or about an alleged violation of the Agreement. The grievance procedure is the exclusive remedy provided by this Agreement to resolve a grievance.

Grievances must be processed within ten (10) school district business days from the occurrence thereof. The grievance shall be reduced to writing and signed by the aggrieved employee and shall include the following information:

1. A statement of the grievance and the facts upon which it is based.
2. The remedial action requested.
3. The specific section of the Agreement which has allegedly been violated.

All meetings and hearings under this procedure shall be kept informal and private, and shall include only such Parties in Interest and/or designated representatives as referred to in this Article. All information relative to the grievance and resolutions accomplished via the procedure shall be considered exempt from public disclosure in an effort to assure confidentiality to the employee.

Professional Association Representatives will be granted attendance, if requested by the grievant.

The purpose of this procedure is to resolve grievances at the lowest possible level.

Time limits designated in the grievance procedure may be waived by mutual agreement of the parties. A "day" is a normal District working day unless otherwise indicated. Failure to submit the grievance in accordance with the specific time limits without such mutual waiver shall constitute an abandonment of the grievance. Failure to grieve an issue within the specified time period shall render the issue non-grievable.

Levels of Grievance

Step One

The aggrieved employee shall first discuss the grievance with his principal or immediate supervisor with the objective of resolving the matter informally. If the matter is not resolved informally, the employee shall forward a copy of the formal grievance to the principal or supervisor within five (5) days. The principal or supervisor shall render a decision within ten (10) days after meeting with the aggrieved employee. If the grievance is not resolved, it shall, within five (5) days, proceed to Step Two.

Step Two

The grievance, along with all pertinent information, shall be submitted in writing to the Superintendent within five (5) days of receipt of Step One decision. The Superintendent shall meet with the aggrieved employee and the supervisor at time mutually agreed upon. Within ten (10) days of such meeting, the Superintendent shall render his written decision.

If the grievance is not resolved at Step Two, the Association shall have five (5) days from the date of receipt of the Superintendent's reply to proceed to Step Three. The appeal shall take the form of a written request that the matter be taken to the arbitrator.

In an instance where the aggrieved employee's immediate supervisor is the Superintendent, Step Two shall not apply except as to the proper procedure for appeal to Step Three.

Step Three

If the matter is submitted to arbitration, the following rules shall apply:

1. An Arbitrator shall be selected upon request by either party to the Employment Relations Board of the State of Oregon pursuant to OAR 115-085-0005 and 115-085-0010 including applicable amendments or replacement statutes.
2. The arbitrator shall interpret the Collective Bargaining Agreement and determine if it has been violated. The arbitrator shall be without power or authority to render any decision which violates the terms and conditions of the Collective Bargaining Agreement or on any matter which is not within the scope of these grievance procedures, or which violates or would require violation by either party of any law. The arbitrator shall have no power to advise on salary adjustments, except as to the improper application thereof, nor to add to, subtract from, modify or amend any terms of this Agreement. The arbitrator shall have no power to substitute his discretion for that of the Board in any manner not specifically contracted away by the Board as part of this Agreement.
3. The arbitrator's decision shall be rendered not later than thirty (30) days from the close of the hearing, shall be in writing and shall contain findings of fact, reasoning, conclusions of law, and orders regarding the issue submitted to arbitration. The arbitrator's decision, unless it exceeds his power or authority under the terms of these procedures and the rules and procedures of the American Arbitration Association, shall, subject to the provisions of Oregon Revised Statutes 33.210-33.340, be final and binding upon all parties.
4. In concurrence with the arbitrator, arbitration proceedings, unless waived by both parties, shall be recorded. They shall be transcribed only upon the request of one or both of the parties. If both parties request a transcript, the cost shall be borne equally by the District and the Association. If only one party requests a transcript, that party shall be responsible for the full cost thereof.

5. The arbitrator's fee and expenses, including the expenses of recording the arbitration proceedings, shall be borne equally by the District and the Association. Each party shall be responsible for his own expenses in prosecuting or defending the grievance.

Rights of the Parties

An aggrieved person may be represented at Step One of the grievance procedure by himself, or at their option, by a representative selected or approved by the employee Association. The district may choose to use outside representation at any level at its option.

Any decision made under this Agreement at the final level of the grievance procedure shall be the last remedy provided by this Agreement.

Any decision made under this Agreement which is termed "non-grievable" shall not be subject to any part of the grievance procedure herein.

ARTICLE 29 - STRIKES AND LOCKOUTS

The employees agree, as individuals or as a group, not to initiate, cause, participate or join in any strike, work stoppage, slowdown, picketing, or any other restriction of work during the term of the Agreement. In the event of any violation of this clause, the District may take whatever disciplinary action it deem appropriate including dismissal.

Members of the bargaining unit agree that they will not honor any picket line established by any labor organization when called upon to cross such picket line in the line of duty during the life of this Agreement.

There will be no "lockout" of employees in the bargaining unit by the District as a consequence of any dispute arising during the term of this Agreement.

ARTICLE 30 - PERSONNEL FILES

An employee's personnel file shall not have any information of a critical nature that does not bear that employee's signature. An Employee shall have the right to attach a written statement of explanation to any material in his/her personnel file which the employee believes to be incorrect or derogatory. All documents which are used to discipline an employee must be in the personnel file.

Upon request by an employee or upon request of an employee's designated Union representative in a written statement signed and dated by the employee, the employee or designated representative shall have the right to inspect the employee's personnel file. Requested copies of information in the personnel file shall be provided by the District at cost.

All personnel records will be maintained in accordance to District policy.

ARTICLE 31 -SEPARABILITY OF CONTRACT PROVISIONS

1. In the event that any provision of this Agreement should, at any time during its effective period, be declared unlawful and unenforceable by any court of competent jurisdiction, such decision shall apply only to the specific article, ~~section~~ or portion thereof directly specified in the decision. Such decision shall not invalidate the entire Agreement, it being the expressed intention of the parties hereto that all other provisions of this Agreement not be declared unlawful and the Agreement as a whole shall remain in full force and effect for the term thereof and any other provision of ORS 243.702 shall apply.
2. Renegotiation of any affected article shall be pursuant ORS. 243.698.

ARTICLE 32 - WAIVER AND SCOPE

This Agreement shall not be modified in whole or in part by the parties except by an instrument, duly executed by both parties.

This Agreement has no effect upon any policies, rules, regulations, practices or procedures of the District pertaining to any matter not specifically covered in this Agreement. The Board's authority to repeal or modify such policies, rules, regulations, practices or procedures is not affected by this Agreement.

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of employment relations, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. This Agreement constitutes the sole and entire existing agreement between the parties and completely and correctly expresses all of the rights and obligations of the parties. All prior agreements, conditions, practices, customs, usages and obligations are completely superseded and revoked to the extent deemed desirable by the District insofar as any such prior agreement, condition, practice, custom, policy usage, or obligation is not contained and specifically expressed in this Agreement.

ARTICLE 33- TERM OF AGREEMENT

This Agreement shall be effective July 1, 2016 and shall remain in full force and effect through the 30th day of June, 2019. It shall be automatically renewed from year to year. Either party retains the option of reopening articles within the contract consistent with the procedures described below.

Reopeners:
