

Over the FENCE

Career and Technical Education Programs Highlighted at Selfridge Air National Guard Base

Fraser High School was the exclusive high school partner to showcase its Career and Technical Education (CTE) programs at the Selfridge Open House, Air Show, and STEAM Expo held in early June.

Major Kraig Lohse, director of the Open House, and Chief Master Sergeant Tim Huhtasaari invited FHS to be the

Open House's CTE partner after visiting the school last November and viewing CTE programs across the region.

To spearhead the effort, more than 80 FHS students went to Selfridge for a work-based learning field trip in May and learned about the opportunities for military and civilian careers at the Air National Guard base.

During the June event, CTE staff and student volunteers welcomed more than 135,000 visitors through the STEAM Expo. Visitors learned about how their students could follow career pathway training in Fraser, including:

- Woodworking
- Engine Technology
- Mechanical Design
- Robotics & Electronics
- Welding
- Fashion Design
- Cybersecurity
- Programming
- Web Design
- Insurance
- Culinary

Displays included augmented reality welding, FANUC robotic operations, industrial sewing, and computer programming and design. This opportunity helped our region understand the vast variety of career pathway training programs offered in our comprehensive high school. Past graduates and current students also shared stories of their success following their time in Fraser.

Staff and students working the event shared in enjoying an all-time high in morale while reflecting with current, former, and future students about the success they can achieve when they put purpose and planning behind career pathway training.

The partnership between Selfridge and FHS will continue into the future.

SUPERINTENDENT'S MESSAGE

Dear Fraser Families,
I hope everyone is enjoying their summer and taking time to relax and recharge.

We continue to do what's best for kids by building relationships

with students, staff, and families, and providing opportunities so all students can be successful in life after graduation.

In Fraser, we are committed to providing options that fit all families. We saw the highest enrollment in recent years in our preschool programs and young fives classes. Our career technical education programming continues to excel and build partnerships with our community (which you can read about on this page), and our academic offerings are strong across all grades. We also offer virtual learning for K-12, with the unique opportunity for those students to participate in after-school clubs and athletics.

Work continues this summer from our May 2023 bond, including replacing the boilers at both Disney and Emerson elementary schools and updating the HVAC system at Richards Middle School. During the coming years, the \$59 million bond will provide improvements at every school and building in our district as well as technology upgrades.

In closing, this has been an exciting year in Fraser. I am looking forward to working with our community to build a new five-year strategic plan, and I am so thankful to be your Superintendent.

I look forward to seeing all our students on August 26 for the first day of school!

With Fraser Pride,
Dr. Wozniak

Superintendent Carrie Wozniak, Ph.D.
carrie.wozniak@fraserk12.org

Fraser Fits Your Family!

No matter your interests, we have opportunities for your family. Enrollment is now open for all Macomb County residents.

From our robust early childhood programs to award-winning performing and visual arts, and advanced academics to career technical education training, you can find your fit in Fraser.

Schools of Choice

- Unlimited spaces Y5-11th grade
- Virtual or in-person learning

Deadline to apply August 30

Virtual Learning

- Unlimited spaces K-12 (If entering 12th grade, student must be a current student or district resident)

- Students can participate in after-school activities and athletics

Deadline to apply August 30

Resident Enrollment

- Unlimited spaces Y5-12th grade
- Open year round

Preschool

- Limited spaces for 3- and 4-year-olds
- Free or low-cost for families who qualify

Visit [GoToFraser.com](https://www.go Fraser.com)

or scan the QR code to begin the enrollment process!

Bond Work CONTINUES

As soon as school ended in June, crews began the process of removing the old boilers from Disney and Emerson elementary schools. New boilers and equipment were installed in July and will be ready to consistently heat the buildings this fall when students and staff return.

The boiler replacement at these two schools is part of the \$59 million bond approved by voters in 2023. This equipment not only helps keep our schools open and safe for students to attend throughout the winter months, but it also provides improved energy efficiency throughout the buildings.

During the last school year, the district replaced all external window shades at every school, which will help reduce the schools' energy costs and create a barrier from severe temperatures, making classrooms more comfortable. The shades will also provide additional privacy and security.

For more information about the 2023 bond and upcoming projects, please visit our bond website at the FraserDifference.com.

Celebrating the Class of 2024!

On the morning of June 8, the Fraser High School Class of 2024 were led into the Macomb Community College Sports and Expo Center in Warren by the Board of Education and Fraser High School and district leaders, as the band played "Pomp and Circumstance."

Salutatorian Jason Valade and Valedictorian Noah Tonn addressed their classmates, reminding them to always remember their Fraser community and appreciate all the potential their futures hold.

"Today, as we stand on the brink of a new beginning, let us remember that life is not a race to the finish line, but a series of meaningful moments to be cherished," said Valade.

"As we embark on the next chapter of our lives, let us carry forth the spirit of our class," said Tonn. "Let us be the innovators, leaders, and change leaders that the people who once guided us thought we could be, and

let us strive to make a positive impact on the world. But most importantly, let us never forget the people and that community that pushed us harder to learn more, and to do better."

Principal Ryan Sines also addressed the 360 members of the class.

"Always remember the words of Dr. Seuss, who said 'You have brains in your head, you have feet in your shoes, you can steer yourself in any direction that you choose,'" said Principal Ryan Sines to the crowd. "Class of 2024, the world is yours for the taking. Don't be afraid to dream big, work hard, and chase your passions."

Teachers of the Year

Congratulations to Tyler Westerhof of Fraser High School, Robin Jenkins of Emerson Elementary, and Sheldon Sanramaria of Richards Middle School – our 2024 Fraser Public Schools Teachers of the Year! The three educators were nominated by their colleagues for their commitment and dedication to students and staff throughout the district.

Tyler Westerhof, Robin Jenkins, and
Sheldon Sanramaria

FPS Facility Use

Fraser Public Schools has an online system for requesting the use of school facilities. The system, CommunityUse, provides a universal application to all community organizations and individuals. It can be found on the district's website, www.fraser.k12.mi.us, under Business Office. For further information on how to rent FPS facilities, contact the Business Office at 586.439.7034.

Early Childhood Options Continue to Expand

Fraser Public Schools is committed to providing an early childhood learning opportunity that fits every family. All options feature small class sizes and qualified teachers, and are open to all Macomb County residents.

At the Dooley Center for Little Learners, the district's dedicated early childhood building, a myriad of programs are offered for children as young as 18 months.

This includes toddler time, a weekly parent and child play group; tuition preschool for 3- and 4-year-old students that meets for a few hours two or three days a week; and GSRP preschool for 4-year-olds that is free or low cost for those

who qualify and meets all day Monday-Thursday. The Center also hosts our early childhood special education program.

The Dooley Center offerings have continued to evolve to meet the needs of our community. During the last few years, improvements have been made to make the school more accessible to our littlest learners. The playground was improved through the 2023 bond program, and an indoor play area to improve gross motor skills was installed after the district received a grant this spring.

Registration for all programs is currently open, but spaces are limited. Visit dooley.fraser.k12.mi.us to begin enrollment.

2023-24 RETIREES

Congratulations to the 21 employees who retired during the 2023-24 school year.

Combined, these dedicated professionals served Fraser Public Schools for nearly 500 years! They were recognized during a retirement celebration at the June 10 Board of Education meeting.

Tracey Bell, Teacher, Salk Elementary, 44 Years

Lana Budde, Speech Pathologist, Salk Elementary, 29 Years

FRASER FAMILY TAILGATE!

Friday, September 20, 2024

Fraser Public Schools invites all to join in a celebration of the new school year. Join us at the annual Fraser Family Tailgate at the first home football game, against Port Huron High School!

Parking lot outside of the football field from the Garfield Rd. entrance.

TAILGATE: 5:00 – 7:00 P.M. | GAME TIME: 7:00 P.M.

FREE HOT DOGS, DRINKS, KONA ICE, INFLATABLES, MUSIC & FRASER SPIRIT!

THE GRIEVANCE PROCEDURE IS ESTABLISHED TO MEET THE REQUIREMENTS OF TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990, TITLE VI OF THE EDUCATION AMENDMENT ACT OF 1972, TITLE IX OF THE EDUCATION AMENDMENT ACT OF 1972, SECTION 504 OF THE REHABILITATION ACT OF 1973, AND THE AGE DISCRIMINATION ACT OF 1975.

Section I: Any person may use this grievance procedure to file a complaint of discrimination on the basis of race, color, national origin, sex, disability, or age in the programs or activities that are provided by Fraser Public Schools. The grievance may be brought forward to the Local Civil Rights Coordinator, who is identified by name and job title as:

Section 504, Attention:

Ms. Jane Sturgell, Fraser Public Schools
 33466 Garfield Road, Fraser, MI 48026
 586.439.7045
jane.sturgell@fraserk12.org

All Others, Attention:

Mr. Kerry Terman, Fraser Public Schools
 33466 Garfield Road, Fraser, MI 48026
 586.439.7025
kerry.terman@fraserk12.org

Section II: The person who believes he/she has a valid basis for grievance shall discuss the grievance informally and on a verbal basis with the local Civil Rights Coordinator, who shall, in turn, investigate the complaint and reply with an answer to the complainant. He/she may initiate formal procedures according to the following steps.

Step 1: A written statement of the grievance signed by the complainant shall be submitted to the Local Civil Rights Coordinator within five (5) business days of receipt of answers to the informal complaint. The Local Civil Rights Coordinator shall further investigate the grievance and reply in writing to the complainant within five (5) days.

Step 2: If the complainant wishes to appeal the written decision of the Local Civil Rights Coordinator, he/she may submit a signed statement of appeal to the Superintendent of Schools within five (5) business days after receipt of the Coordinator's response. The Superintendent shall meet with all parties involved, formulate a conclusion, and respond in writing to the complainant within ten (10) business days after receipt of the coordinator's response.

Step 3: If the complainant remains unsatisfied, he/she may appeal through a signed, written statement to the Board of Education within five (5) business days of his receipt of the Superintendent's response in Step 2. In an attempt to resolve the grievance, the Board of Education shall meet with the concerned parties and their representative

within forty (40) days of the receipt of such an appeal. A copy of the board's disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting.

Step 4: If at this point the grievance has not been satisfactorily settled, further appeal may be made to the Office for Civil Rights, Department of Education, 600 Superior Avenue East, Suite 750, Cleveland, OH 44114.

Inquiries concerning the nondiscrimination policy may be directed to Office for Civil Rights, Department of Education, 600 Superior Avenue East, Suite 750, Cleveland, OH 44114.

The local Civil Rights Coordinator, on request, will provide a copy of the district's grievance procedure and investigate all complaints in accordance with this procedure.

A copy of each of the acts and the regulations on which this notice is based may be found in the Local Civil Rights Coordinator's office.

AHERA (ASBESTOS HAZARD EMERGENCY RESPONSE ACT)

The Environmental Protection Agency has determined that airborne asbestos fibers can be a health hazard. The Asbestos Hazard Emergency Response Act (AHERA) was passed in 1986. District buildings are monitored every six months and inspected every three years to comply with AHERA regulations. The last inspection was completed in 2016. Updated Management Plans are located in the office of each building and in the Operations & Maintenance Building. Each plan shows asbestos-related work that has occurred in each building.

REPRODUCTIVE HEALTH AND SEX EDUCATION INSTRUCTION – STATE AID ACT, 1766A

The Board of Education has established a program of health instruction that includes reproductive health and other sex education instruction, as well as serious communicable disease prevention education.

According to applicable law, parents/guardians have the right to review materials or observe classroom instruction; please contact your student's school principal.

This statute also allows you to excuse your child from participation in classes that include such instruction, if you choose. If you wish to exercise your right to excuse your student from this instruction, please send written notice to your student's school principal.

BADGE SYSTEM FOR VISITORS, VOLUNTEERS, AND GUEST TEACHERS

For security purposes, the district is continuing its practice of requiring all visitors, volunteers, and guest teachers to wear an identification badge while in any school building. All persons entering a school building are requested to immediately report to the main office to obtain an identification badge.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Fraser Public Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Fraser Public Schools may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the Fraser Public Schools to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information: names, addresses, and telephone listings, unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Fraser Public Schools to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by the end of the second week of the school year. Fraser Public Schools has designated the following information as directory information:

- Electronic mail address
 - Photograph
 - Participation in officially recognized activities and sports
 - Degrees, honors, and awards received
 - Major field of study
 - The most recent educational agency
 - Dates of attendance and institution attended
 - Grade level
 - Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. [A student's SSN, in whole or in part, cannot be used for this purpose.]
- Written complaints can be filed with Mr. Kerry Terman, Fraser Public Schools, 33466 Garfield Road, Fraser, MI 48026.

DRUG-FREE SCHOOLS

Drug-Free Schools and Communities Act of 1996 (amends Michigan Public Health code) Public 174 of 1994

The "drug-free zone" surrounding school property is 1,000 feet. Any individual who delivers cocaine, narcotics, or certain other illicit substances to a minor student within the 1,000-foot drug-free zone around the school property shall be punished by at least two years in prison and up to three times the term of imprisonment and fine – or both – that would otherwise apply. "School property" is defined as a "building, playing field, or property used for school purposes to impart instruction to children in kindergarten through grade 12, when provided by a public, private, denominational, or parochial school, except those buildings used primarily for adult education or college extension courses."

PEST MANAGEMENT PLAN

Dear Parent/Guardian: As a part of the Fraser Public Schools Pest Management Program, pesticides are occasionally applied. You have the right to be informed prior to any pesticide application made to the school grounds and buildings. In certain emergencies, pesticides may be applied without prior notice, but you will be provided notice following any such application. If you need prior notification, you may notify the school district in the following ways:

- Visit the Fraser Public School website and click on the environmental link.
- Send an email to: elizabetha.sporea@fraserk12.org
- Complete the form below and submit it to the school that your child attends.
- Call the Office of Operations & Maintenance: 586.439.7114.

Pesticide Prior Notification Request

PARENT/GUARDIAN NAME	STUDENT'S (CHILD'S) NAME	SCHOOL YOUR CHILD ATTENDS
STREET ADDRESS	CITY	ZIP
TELEPHONE NUMBERS: DAYTIME	EVENING	EMAIL ADDRESS
SIGNATURE		

Please Check One:

- ☐ I wish to be notified prior to a scheduled pesticide treatment inside the building.
- ☐ I wish to be notified prior to a scheduled pesticide treatment of outside grounds.
- ☐ Both of the above.

CTE Annual Notice of Offerings

Each year, Fraser Public Schools offers Career and Technical Education programs at Fraser High School. These programs are designed to prepare youth for a broad range of employment options and rigorous post-secondary training through technical training, learning in context to their career ambitions, and building a positive work ethic under the guidance of certified teachers, counselors, career navigators, and work-based learning coordinators. Students who successfully complete certified programs enjoy work-based learning experiences, earn articulated credits at local colleges and universities, participate in career technical student organization engagements, and demonstrate technical skills mastery while earning industry-recognized credentials. The following is a list of programs currently offered to the Ramblers of Fraser High School.

MECHANICAL DESIGN

- Beginning CAD/Drafting
- Vocational CAD/Drafting
- Individualized CAD/Drafting

WELDING

- Welding Technology
- Vocational Welding

ELECTRONICS TECHNOLOGY

- Electronics Technology
- Vocational Electronics

ENGINE TECHNOLOGY

- Engine Technology
- Advanced Engine Technology

WOOD TECHNOLOGY

- Wood Technology
- Advanced Woodworking

FAMILY AND CONSUMER SCIENCES

- Surviving After High School
- Foods and Nutrition
- Parenting
- Life Management Skills
- Family Living

EDUCATION

- Future Teacher
- Future Teacher Capstone

FASHION DESIGN

- Design for Living
- Fashion Design
- Fashion Design Capstone

FINANCIAL MANAGEMENT AND INSURANCE

- Accounting
- Personal Finance and Insurance

HEALTH SCIENCES

- Intro to Health Sciences
- Hybrid Medical Terminology
- Sports Medicine
- Medical and Health Science Careers
- Foundations of Patient Care
- Health Science Capstone

COMPUTER SCIENCES

- Coding w/ Games and Apps
- Java Programming
- Cybersecurity
- Advanced Cybersecurity
- AP Computer Science Principles
- Web Design
- Advanced Web Design

BUSINESS ADMINISTRATION, MANAGEMENT, AND OPERATIONS

- Business Leadership and Technology

MARKETING, SALES, AND SERVICE

- Marketing
- Sports and Entertainment Marketing
- Retail Store Operation
- Retail Store Management

CULINARY ARTS

- Professional Baking
- Professional Cooking
- Culinary Practice
- Restaurant Management

WORK-BASED LEARNING

- Pre-Apprenticeship Programs
- Cooperative Education Placements
- Job Shadowing
- Company Tour Field Trips
- Guest Speakers and Mentors

Engaged industry leaders drive the implementation of our Career and Technical Education programs. For further information about partnering to support these valuable programs, please contact:

Mr. Brent Brasure, Director of Career and Technical Education, Fraser High School, 34270 Garfield Rd, Fraser, MI 48026, 586.439.7206, brent.brasure@fraserk12.org

It is the policy of the Fraser Public Schools that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, disability, age, height, weight, genetics, or marital status, be excluded from participation in, be denied

the benefits of, or be subjected to discrimination during any program, activity, service, or in employment. Any employee or member of the community of Fraser Public Schools believing they have been discriminated against should contact:

Mr. Kerry Terman, Assistant Superintendent of Human Resources, 33466 Garfield Rd, Fraser, MI 48026, 586.439.7025, kerry.terman@fraserk12.org

Inquiries related to discrimination on the basis of student disability should be directed to:

Ms. Jane Sturgell, Director of Special Education, 33466 Garfield Rd, Fraser, MI 48026, 586.439.7045, jane.sturgell@fraserk12.org
