Many years ago, the Cleveland Cliffs Iron Company, Local Chambers of Commerce, the NICE Community School District, and other area schools formed the West Marquette County Partners for Education to recognize outstanding students and teachers.

As part of this process, residents and families of the NICE Community School District are invited to participate in the selection by nominating two (2) teachers, one from grades K-5 and another from grades 6-12 who have had a significant and positive impact on students in the school district.

Forms are available in each school office and should be returned to the Superintendent's Office at 300 Westwood Drive on or before **Friday, April 15, 2022**
