RemotEDx
Connectivity Champions
Powered by *the* **Management** Council

Removing barriers to connect K-12 students to remote learning

- Ensuring all Ohio K–12 students have home internet access for remote learning

- Helping school districts overcome technology barriers

- Working closely in partnership with the Ohio Department of Education and Ohio's Information Technology Centers

- Engaging vendors to troubleshoot and problem solve

Providing connectivity solutions to

Ohio's K-12 students and parents.
