School Registration 2017-2018

Current Woodland Students and incoming kindergarten students who have pre-registered online may register for the 2017-2018 school year beginning July 17-July 28. You will use your single-sign on that you currently use for the parent portal. EVERYONE MUST REGISTER ONLINE BY JULY 28. IF YOUR CHILD IS NOT REGISTERED, HE OR SHE MAY BE DROPPED FROM OUR SYSTEM. Students who will be new to Woodland next year will need to come to the school during open registration on August 3 from 12-7:00 p.m, or August 4 from 8:00 a.m.-1:00 p.m. School will begin Wednesday, August 16, 2017. Class list will not be available till August 14. When you register you child online, you will be able to view his/her teacher's name. However, the assignment is tentative and could change prior to the first day of school. Please be sure to check rosters that will be posted during our back to school event.

ATTENTION PARENTS: This summer when registering your child/children you will be asked if bus transportation will be needed for the 2017-18 school year. Please check the appropriate response for your situation. If the transportation needs of your student change during the school year it will be necessary to contact your school to implement the change. Please contact the Transportation Department at 765-474-2481 if you have questions.

Meet you at the Back to School Bash

Please mark your calendars to attend Back to School Bash on August 14, 5:30-7:00p.m. This is an open house where you can see the classroom, meet the teacher, and bring school supplies to unpack in the classroom. School supply list will be posted on the school website and can also be found at most of the local retailers. We look forward to seeing everyone at this event!

TSC is in the process of updating our webpages for the corporation, as well as for each school. This will change one of our methods of communicating important information with families. We will no longer be using Pinwheel, effective June 2017. In late June 2017, each parent with a PS Parent Portal account will receive an email with instructions on how to activate their account on the new website. If you do not have a Parent Portal account (with an accurate email address), you will not receive this email and will be unable to sign-in to the new website. This will be the main method of communication of information of this type and other important school updates.
