

Spirit Lake Elementary P.I.E.

(Partners in Education)

The Elementary PIE is a very active organization in our school, but it can't happen without the support of the parents. All are invited to the PIE meetings which are held on the 3rd Tuesday of the month at the Elementary School. If you're unable to attend meetings, you can still be involved! Please look over the many opportunities below and indicate where you would like to help. (Feel free to mark more than one.) PIE is a great way to be a part of your child's education, in and out of the classroom.

Please return this sheet to the registration table today.

Scholastic Book Fair

The book fair runs during fall conferences. Volunteers are needed to help promote, set-up, tear-down and/or run the cash register.

Teacher Appreciation

Plan and serve meals for the teachers and staff during school conferences. Volunteers are needed to help provide food, decorate the room and/or clean up after the meals. Brainstorm other ways to show appreciation to the teachers/staff.

Minds in Motion

This is an opportunity for 3rd and 4th graders to create their own invention and showcase them to the school and parents. This day will be held in February or March.

SCRIP

This is an ongoing middle and elementary program that earns money for our schools through everyday purchases. Volunteers will be a part of a rotation that will collect orders and pick up SCRIP at participating retailers around the community. The SCRIP booth is normally available on the last day of a week.

Label Redemption Program

The school receives funds for various label redemption programs, including Box Tops, Campbell's labels, Land O'Lakes milk tops and more. Volunteers help collect, count and prepare labels for submission.

Innisbrook Gift Wrap Sale

This is our fall fundraiser. Volunteers are needed to help with classroom incentives, collecting and tallying orders and distribution of items.

Fourth Grade Graduation

It's a wonderful day in May for the graduating fourth grade students. Volunteers are needed to decorate, serve refreshments, and provide snacks or chaperone.

End of the Year Party

This is a fun-filled day for the elementary students that takes place on one of the last days of school. Volunteers are needed to help with games and activities.

Classroom Volunteer

This is a great way to be involved in your child's classroom. You may be called to help with class parties, chaperone field trips or classroom special projects.
