

Process Skills Learning Stations

Focus Skill	Stations to Complete	Tracking
Observing	Assess It 1 - rolling through	
	Assess It 2 - know your Q's	
Observing Q vs Q	Prove It - card sort	
Measuring - graduated Cyl	Watch It - graduated cylinders	
	Try It part one - graduated cylinders Try It part two - graduated cylinders	
Measuring - ruler/meter	Watch It - metric ruler	
Inferring	Puzzle It - mystery footprints	
	Solve it - inference cards	
Predicting	Watch It - predicting	
Identifying Variables	Practice It - identifying variables	
	Watch it - identifying variables	
	Create It - identifying variables	
	Assess It - variable task cards	
Constructing Data Tables	Construct It - data tables	
Constructing a Graph	Model It - making a pie graph	
	Construct It - creating graphs	
Writing a Hypothesis	Write It - creating testable hypothesis	
	Practice It - writing a hypothesis	
Defining Variables	Identify It - variables	
	Match It - variables	
Materials and Equipment	Puzzle It - equipment	
	Match It - equipment & materials	

Name _____ Group _____
