About the Instructors:

Workshops will be led by artists of Arts Empowering Life, each with years of high-level performance and teaching experience—private lessons, workshops, and assemblies—in the US, Australia, Canada, South Africa, and South Korea.

Camp instruction will be catered to the experience level of each student.

About Arts Empowering Life:

Arts Empowering Life is a nonprofit foundation dedicated to the pursuit of beauty, truth, and faith in the Arts—sharing inspiration and education with people across many nationalities, cultures, and traditions. The foundation has a history of reaching out to America's youth through the arts in the form of workshops, camps, and the Young Performers Outreach program which offers free tickets to all events to children and students.

About the Performing Arts Center

After thirty years of sustained artistic growth, Arts Empowering Life has put its roots down with a new, innovative, multi-purpose Arts facility. This center provides a creative space for daily education, rehearsal, and inspirational work. It surrounds both the young and the established artist with beauty and design, inspiring all who walk through its doors to create with a greater purpose.
