Mastery Grading & Retest Guidelines – All Content Areas

a. shall implement the following guidelines related to formal assessments:
    i.   Assessments should be standards-based and measure students' level of mastery on specific learning objectives,
    ii. Additional practice will be provided for students who do not achieve initial mastery (79%),
    iii. Following additional practice, new opportunities shall be provided to measure student mastery. A maximum score of 79% can be earned.

● Only students earning a 78% or lower will be reassessed.
● Students will receive the **highest of the 2 scores** in the gradebook (test or retest scale).
● Scores will be determined based on the number of questions on the reassessment.
    ○ 100% on retest = 80% gradebook
    ○ **Mastery** on retest (79 – 99) = **79%** in gradebook (a C)
