

Paper Mache Sculpture

Name _____

Self and Group Evaluation My sculpture is a _____.

How well did you represent your creature? Take into account proportion, detail, shape, color, and surface decoration.

Craftsmanship is how neatly and carefully your sculpture is made. Rate your craftsmanship from 1-10 and *explain your rating*. Take into account:

- shape (even or lopsided?)
- smoothness of surface (no bumpy paper mache or tape pieces)
- whether your creature stands straight, falls down, or is lopsided
- surface decoration: neatly applied fabric, etc., smooth paint with writing showing through

1 2 3 4 5 6 7 8 9 10

What grade do you feel you earned on this project and why?

Take into account the above information and your level of group participation.

What grade do you feel your other group member (say who it is) earned and why?

What did you like best about doing this project?

What did you like least?
