

Welcome to Cascade Middle School's Parent Information Night

Welcome! This evening is all about you! Our goal is to provide you with the information you need to support your child in their academic efforts. We look forward to a great year with your student.

HOW IT WORKS:

The night is broken into six sessions. With eight presentations to choose from, you will need to determine the six you would like to attend. Then, you can join these sessions in any order you like as each teacher will be presenting six times (with one exception – see below). We will be putting materials on the website in the event there is a session you missed.

THE SCHEDULE (5:30 – 5:35 *Announcements for all*)

Scheduled Session	<i>Here is space to make a plan. Where will you go for each?</i>
