Parent Involvement at Title I Schools

CMS/NEPN

Code: KBC

The Charlotte-Mecklenburg Board of Education adopts the following policy, in accordance with the requirements of the federal No Child Left Behind Act (NCLB), as its Title I Parent Involvement Plan.¹

Charlotte-Mecklenburg Schools Title I Parent Involvement Plan

The Charlotte-Mecklenburg School Board of Education believes that the education of each student is a responsibility shared by the school and parents². The Board recognizes the need for a constructive partnership between the district and parents that provides for two-way communication and fosters educational support for students and parents. The Board recognizes the special importance of parental involvement to the success of its Title I programs.³

In keeping with these beliefs the Board endorses the parent involvement goals of Title I of the Federal No Child Left Behind Act of 2001 (NCLB) and encourages the participation of parents of students who receive Title I services in all aspects of their child's education, including the development and implementation of district programs, activities, and procedures designed to carry out NCLB parent involvement goals.

To that end, the Board directs the district to plan and conduct activities designed to encourage and facilitate participation by parents of students at Title I Schools. Efforts shall be made to ensure that all these parents will have the same opportunities to participate in parent activities, regardless of their ethnic/racial background, socio-economic status, limited English proficiency, or disabilities.

¹ As is required by NCLB, parents from Title I Schools have been involved with the development of this policy. Also in accordance with NCLB (and the provisions of this policy), parents at Title I Schools will have the opportunity to review this policy on an annual basis.

² Throughout this policy, unless otherwise stated, "parent" means one or both birth parents, the legal guardian or the legal custodian of a student, or the person acting *in loco parentis* to the student.

³ Throughout this policy, references to "Title I programs" means programs offered at schools that qualify for and receive funding and services from Title I funds provided by the federal government pursuant to Title I of the No Child Left Behind Act of 2001. Such schools are referred to as "Title I Schools."
