Parents are also able to access the parent portal on the school's website to review their child's grade in any subject area. In addition, information concerning State and Local assessments is also made available through the School Newsletter.

- B. The school district will, with the assistance of its schools, provide materials and training to help parents work with their children to improve their children's academic achievement, such as literacy training, and using technology, as appropriate, to foster parental involvement by:

- The Tipton R-VI School District currently utilizes Parents-As-Teachers Play visits to provide interactive games, training, and materials for young families.

The family nights are focused on getting the parents involved with their child in a learning activity in

the area of reading that helps the student academically and in the learning process. The goal of these events is to get the parent and the student to have fun working together while instilling the value of learning.

- D. The school district will, to the extent feasible and appropriate, coordinate and integrate parental involvement programs and activities with the areas of reading, Parents as Teachers organization, and other programs, and conduct other activities, such as parent resource centers, that encourage and support a higher degree of parent participation in the education of their children by:
