15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

Dear Parents,

Soon we will be starting our most anticipated project of the year. Your student will be building and taking care of a baby. Don't worry, you will even get a chance during Grandparent day! Your student will have a lot of extra responsibility that week as we all know babies make life a lot more complicated. We do not need any materials sent to class until **January 20th**, but I wanted to send you a list of things that will be needed so you and your student can start to gather them at your leisure. If any of this will be a hardship for your family please just shoot me an email [wpetersen@aledoisd.org](mailto:wpetersen@aledoisd.org); we will get it covered.

**Must have:**

One - 4-5# bag of cornmeal

**Please have:**

Two- 1 gallon zip lock bags

1 roll of duct tape, any color (can share with one other student)

2 pair of panty hose/tights, or 5 knee high panty hose - any color

1 simple paper folder with brads

**Nice to have:**

1 baby outfit, size NB - do not buy until after the gender reveal on Jan 19th

5" Styrofoam ball for head - this is very specific I know but it really makes the baby much more adorable.

Accessories: eyes, lashes, pacifier, hat, bow

Baby carrier: borrow (don't buy) a baby backpack, a toy car seat, a sling, or an old backpack or a child size backpack

Strollers- these will not work at school because of the stairs but might be nice for evening/ Weekend plans if you have one you can borrow.
