

Parent- MHS FALL24 Digital Photography to Drive or Leave Campus and Equipment Policy

Sometimes students will need to explore the world outside of Milford High School with your permission they are allowed to leave campus. This is not permission or an invitation to go out to lunch every day or visit Starbucks regularly. By completing this form you are agreeing to allow your child to drive or be a passenger in a car to go off campus for Digital Photography.

Equipment Policy: Cameras and other equipment are checked out on a daily basis. You must return it on the following school day. If you are ill or not coming to school on the day the equipment is to be returned, it is still your responsibility to get it back on time. If you cannot follow the terms of this contract, do not check out the equipment. If you violate the terms of this contract, you will lose the privilege of checking out equipment. Unauthorized use of equipment will be treated as theft and violators will be turned over to school authorities and administration.
