Parent Edition
October 5, 2020

Thought for the Week

Learning is not attained by chance, it must be sought for with ardor and diligence. -Abigail Adams

Dear Parents/Guardians:

Virtual learning is improving daily. Students are adjusting well to the daily schedule and routine. Teachers are working diligently to ensure students are engaged in meaningful learning experiences. Term 1 Benchmark assessments will begin next week. Please be sure your child is completing and submitting assignments daily.

As always, we appreciate your patience and your support as we continue to improve virtual learning for our Olympian scholars.
