

Tina-Avalon R-II School Parent Portal Access

Tina-Avalon R-II has the capability for parents to access student records through the internet. The **Parent Portal** enables parents, via a web browser, to view Parent/Student Bulletins, their students' school records, and additional classroom functions. The portal will be linked through school's web site: <http://tinaavalon.k12.mo.us> or it may be accessed at: <https://sdm.sisk12.com/TA/>.

The Parent Portal is a tool designed to allow parents/guardians to view their child's data online. The portal can be accessed anytime, anywhere an internet connection can be established—home, work, public library or cell phone. Data areas that will be available are Grade Book, Attendance, Term Grades, Course Change History, Course Request, Four Year Plan, Discipline, Activities, Awards, Medical, Lunch and Fines and Fees. Not all data areas will contain information, as this is an ongoing process.

In order to activate the portal, parents/guardians **must sign** this agreement. Portals will be activated once this agreement is on record with the office. An email notification with specific login instructions and one system generated user name and password will be emailed to you. Parents may change their password after initiating one successful portal login.

Information for your child is available only with a password. **All passwords are distributed through e-mail.** It will be your responsibility to keep this password private. We cannot issue any passwords via phone conversation. Passwords will not be issued to school children. You must have an e-mail address to view your child's records on **Parent Portal**.

If you would like to participate in the program, please fill out the information below:
