CLASSIFICATION/PROMOTION STANDARDS

Grade Level	Promotion Requirements
Grade 9	Promoted from 8 th Grade
Grade 10	6 units including English 1
Grade 11	13 units including English 2
Grade 12	20 units including English 3

ACADEMIC DIFFICULTY OF COURSES

- **Level 3: College Prep (CP)** – Course content, pace, and academic rigor follows standards specified by the North Carolina Standard Course of Study (NCSCOS) with content enrichment where appropriate.
- **Level 4: Honors, CCP (current 11th)** - Course content, pace, and academic rigor place high expectations on the student and surpass standards specified by the NCSCOS. These courses demand greater independence and responsibility than Level 2 courses. *This level or higher is suggested for competitive college admission.*
- **Level 5: Advanced Placement, CCP (current 9th and 10th), IB**– Course content, pace, and academic rigor are college-level as adopted by the College Board and International Baccalaureate Organization. These course may lead to college credit.

WAIVERS

As you are selecting your courses, you will have the option of selecting CP, Honors, or AP courses. If your teacher did not recommend you for a course, you must turn in a waiver. This waiver will require a parent/guardian's permission to take the advanced course.

Waivers are available on the school counseling website.

REGISTERING FOR AP COURSES

- If you register for an AP course, please check the following list to ensure that you have also registered for the honors companion course.
- It is the expectation of UCPS that students taking AP courses will take the AP Exam.
 - The following courses have an honors companion course, making these AP courses yearlong courses. Please register for BOTH the honors companion course AND the AP course.

■ AP Art	■ AP Biology
■ AP Calculus AB	■ AP Chemistry
■ AP German	■ AP Chinese
■ AP English III (Language)	■ AP French
■ AP Statistics	■ AP Spanish
■ AP US History (American History I Honors)	■ AP English IV (Literature)
- The remainder of the AP courses are single semester courses.

NCVPS / UCV COURSES

- It is our recommendation that all courses be taken face-to-face, however....
 - NCVPS and UCV courses are offered online for some classes that are not offered in the building.
 - Students must fill out an application, and online classes will be held in a lab setting.
 - If a course is offered in UCV, we will use that format rather than NCVPS.
 - NCVPS courses are used when UCV does not offer a course that you would like to take.

CAREER AND COLLEGE PROMISE

- CCP is a partnership with SPCC that allows you to get college credit for free through SPCC.
- There are two Pathways:
 - College Transfer Pathway
 - CTE Pathway
- CCP courses will count as honors elective credits for current 11th graders and level 3 weighted courses for current 9th and 10 graders (same as AP weighting).
- Must have a minimum 3.0 GPA and meet minimum test requirements (PLAN/Pre-ACT, PSAT, SAT, or ACT scores).
- Registration for CCP courses will take place later in the spring.
- Go to SPCC.edu for more details and apply on CFNC.
- If you register for classes through Career and College Promise, your counselor will adjust your course selections during your individual appointment time.

NC CAREER & COLLEGE PROMISE

NC Career & College Promise offers qualified North Carolina students the opportunity to begin their two- or four-year college work while they are in high school. Those eligible get a tuition-free head start on workplace and college preparation.

How do you earn credits towards a college degree or a technical job certification through Career & College Promise?

Get the details and eligibility requirements on these options if you will be a high school junior or senior as of January 2012 or later:

- College Transfer - Earn tuition-free course credits toward a four-year degree through North Carolina's community colleges.
- Technical Career - Earn tuition-free credits toward an entry-level job credential, certificate or diploma in a technical career through North Carolina's community colleges.

Get the information and requirements on this option if you are a student in grades 9 to 12 with access to an approved cooperative innovative high school:

- Innovative High Schools (limited availability) – Begin earning tuition-free college credits as a high-school freshman by attending a Cooperative Innovative High School.

To learn more visit the NC Career & College Promise website (<http://www.dpi.state.nc.us/ccp/>).

COLLEGE PLACEMENT TESTS

- Most students take the SAT / ACT the fall and/or spring of their junior year. Prep classes are available online and through private providers. Target scores are school specific.
- To register for the SAT, you must go to [Collegeboard.org](https://collegeboard.org). The next deadline is April 7th for the May 6th test.
- To register for the ACT, you must go to [ACTstudent.org](https://actstudent.org). The late deadline is March 4th-17th for the April 8th Test.
- Please remember... you are responsible for registering for these college placement tests.

COLLEGE APPLICATION TIMELINE

- August – college applications will open (ONLINE)
 - CFNC, Common App, individual college websites
- Deadlines will begin October through the end of the year
- Completed applications include:
 - Application, Essays, Transcript, ACT/SAT Scores, recommendations, school reports
- **APPLY EARLY!!!**
 - Meeting early deadlines help you qualify for scholarships
- Scholarship applications begin December – end of year
- Meetings next fall: Senior Night, Individual Meetings & Junior Night

FLEX DAY

- Students who have met all graduation requirements may participate in flex day during the second semester of senior year.
- This is only recommended for students who are attending community college or entering the workforce after high school.
- If you are college/university-bound, we recommend you call the university before signing up for flex day.

PEER TUTORS

Please do not register to be a peer tutor during this registration process. If you want to be a peer tutor, please wait to make this request at the beginning of the appropriate semester.

EARLY GRADUATION

- Seniors have the option to graduate early (mid-year).
- You must complete an early graduation application by the first five days of the fall semester.
- It is important for you to check with your college or university before considering this option. Some four year universities do not encourage early graduation.

NC ACADEMIC SCHOLARS

NC Academic Scholars is a recognition that you may receive upon graduation.

Students must have an **overall four year unweighted GPA of 3.5** and **complete certain courses** to qualify.

You should not have taken any required classes on a Pass/Fail basis.

Please see your Program of Studies to access the NCAS requirements for your class.

REGISTRATION PROCESS

- This year we are registering on the registration cards AND in the PowerSchool system again.
- You will make your selections on your registration card and then transfer them to the online registration system.

REGISTRATION CARDS

- The registration card includes core and elective classes.
- Please select 8 classes by marking an X by the course.
- Please select 4 alternates by marking an "A" by the course, and remember to select carefully, since these may be courses that you will actually be scheduled for.

ACCESSING THE ONLINE REGISTRATION SYSTEM

- Type in: my.ncedcloud.org
- Login in using your NCEdcloudIAM login
 - Your username is your ID #
 - Your password – Case Sensitive

The screenshot shows the NCEdCloud IAM login interface. At the top, the logo "NCEdCloud IAM" is displayed in blue and red. Below the logo, a message states "Do NOT bookmark this page."
