

Parent Schoology Account Creation

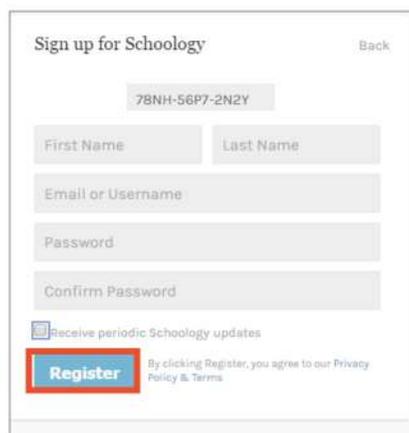

1. Go to <https://app.schoology.com/register.php> and click the Parent option.

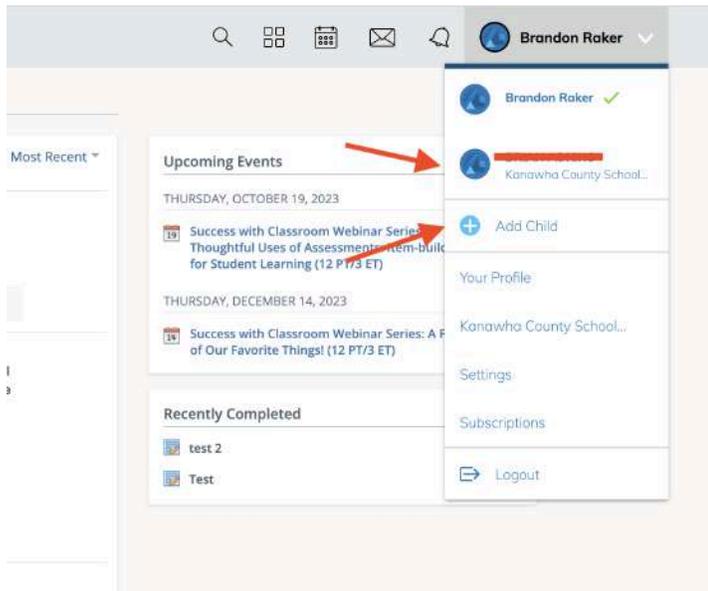

2. Enter the Parent Access Code provided by the school teacher, administrator, or district office.

3. Enter information such as First and Last name, Email address and Password. Be sure to confirm the Password and check the box for Schoology updates if you prefer them. Click Register.

A screenshot of the Schoology registration page, showing the registration form. The "Sign up for Schoology" box is centered on the page. It contains a "Back" link in the top right corner. Below the link is a text input field containing the access code "7BNH-56P7-2N2Y". Below this are two text input fields for "First Name" and "Last Name". Below these are three text input fields for "Email or Username", "Password", and "Confirm Password". Below the password fields is a checkbox labeled "Receive periodic Schoology updates". At the bottom of the box is a blue "Register" button, which is highlighted with a red rectangular border. To the right of the "Register" button is the text "By clicking Register, you agree to our Privacy Policy & Terms".

4. To view your student's information, such as attendance, grades, and updates, click the dropdown by your name and select your student's account. If you need to add another student, you can do so from this dropdown as well, but you will need their Parent Access Code.

5. To see the grades for specific classes, you will need to select the class from the **Courses** tab.
