Every year a new enrollment form must be completed by parents and/or guardians to ensure we have the most up to date information for our students. Please bring these forms with you on your scheduled registration day (see below).

\*Note - Guardians please bring in placement verification.

We are planning some informational, cultural and educational activities for the first days of school which we will be sharing with you prior to the start of school.. We will be hosting an **OPEN HOUSE for students and parents** on Friday, August 16, 2024 from 1:00pm - 6:00pm at the high school.

Our School Improvement Goals for the upcoming year are as follows:

1. Increase by 3% in English and Language Arts scores for students on the ND A+.
2. Increase by 3% in Math sores for students on the ND A+.
3. Increase our attendance rates by 3%.

These goals are built based on the needs of our students and our school. We do this in an effort to provide the best possible education that students deserve. We also have three strategic directions we focus on that include Student Growth, Communication, and improving the Culture and Community of our school. You will find everything we do rooted in these goals and directions.

My team and I are looking forward to a great year, working together with our parents and our community to provide the best education for our students.

Sincerely,

Bradley LaRocque  
TMCHS Principal
