Create a Canvas Parent Observer Account Using a Computer

***You will need a pairing code to create an account.**

1. Create a parent account at

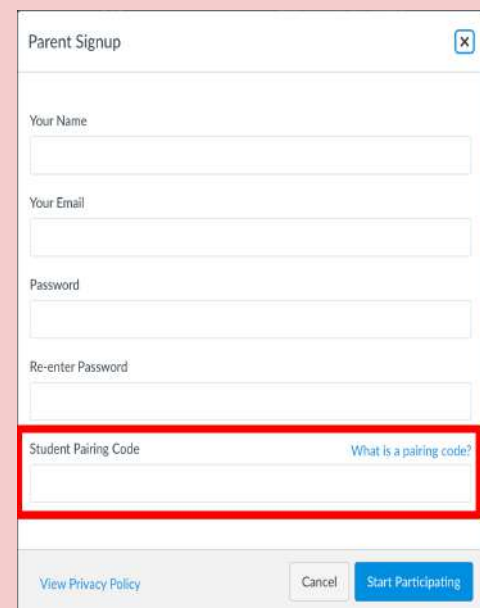

<http://schodack.instructure.com/login/canvas>

2. Click Parent of a Canvas User

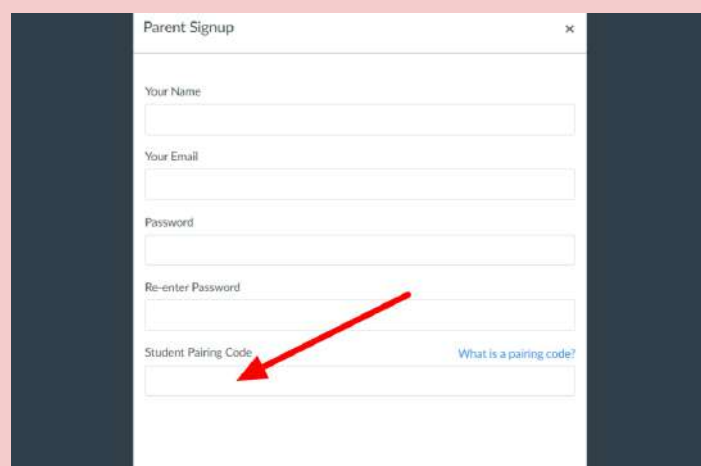

The image shows the Canvas login page. A red arrow points from the bottom left towards the top right, specifically to the link "Parent of a Canvas User? Click Here For an Account". The page includes fields for "Login" and "Password", a "Log In" button, and a "Login with Google" option. At the bottom, there are links for "Help", "Privacy Policy", "Acceptable Use Policy", "Facebook", and "Twitter", and the "INSTRUCTURE" logo.

3. Create a Parent Canvas Account. You will need the pairing code

The image shows the "Parent Signup" form. It includes fields for "Your Name", "Your Email", "Password", and "Re-enter Password". A red box highlights the "Student Pairing Code" field, which has a link "What is a pairing code?" next to it. At the bottom, there are links for "View Privacy Policy", "Cancel", and "Start Participating".

A Pairing Code MUST be generated before you can create an account

This is another view of the "Parent Signup" form, identical to the one above. A red arrow points from the bottom left towards the "Student Pairing Code" field, which has a link "What is a pairing code?" next to it.

5. You are now paired with your student

How to add another student to your Parent Account
