Parking is a PRIVILEGE – not a RIGHT. Excessive tardies may result in parking privileges being revoked. Suspended or revoked privileges will not result in any refund of fees paid.

The following rules apply to all students bringing any vehicle to school.

1. Students must provide a completed and signed application, bring the current vehicle registration (tag receipt), a valid driver's license (no learner's permit), proof of current insurance coverage, and \$15.00 in order to obtain a parking permit. Any vehicle information changes must be reported to administration immediately.
2. **A current parking permit must be clearly and visibly displayed in the lower left front windshield (like inspection sticker) of any vehicle parked on campus. Violations will result in a parking fine of \$5 per occurrence; failure to pay fine within one (1) week will result in loss of parking privileges until the fine is paid. No excuses will be accepted for not displaying a parking permit. Students must not give/loan a parking permit to another student. If a student drives a different vehicle, they must notify Mrs. Elmore to transfer the parking decal to the new vehicle.**
3. **Students must leave their vehicles in the designated parking area and enter the school immediately after parking. Students may not go into the parking area during the school day without permission from an administrator.**
4. Campus speed limit is 10 MPH. Students must obey instructions given by school personnel directing traffic on school grounds, including security officers.
5. Vehicles are parked at the student's risk. **No one is to back in to a parking space, nor pull through a parking space, causing them to go against the flow of traffic when leaving.** Neither South Panola High School nor South Panola Board of Education assumes any liability for damage or loss to vehicles parked on school property.
