Dear Parents/Guardians:

I would like to take this opportunity to introduce myself and make you aware of our policies regarding health issues at the Sharpsville Area School District. My name is Julie Mehler, and I am a Registered Nurse and the School Nurse for the District. Debbie Hartwick, LPN, is the Nurse Technician at the Elementary School, and will be providing care for your children on a daily basis. I look forward to meeting all of your children this upcoming school year. Please review the below information about medication policy and procedure. A complete outline of all health policies will be available in the student handbook that your child will receive at the start of the school year. **Important Note:** ALL medications are to be processed through the Nurse's Office. This is for the safety of all of our students. Students are NOT permitted to have over the counter or prescription medication with them. Also, we do not provide cough drops and if you want your child to have these during school, you must send them to school with a note.

Medication

The administration of medication to a student will be permitted with the direction of parent and/or physician when failure to take such medication would jeopardize the health of the student and when the student would not be able to attend school if the medication were not available during school hours. All medication take at school **MUST** be processed through the School Nurse.

Prescription Medication

Prescribed medication to be given during school hours **MUST** be in the pharmacy container that gives complete instructions including the patient's name, name of medication, dosage and time to be given, and number of days to be given. (Ask your pharmacist to prepare two labeled containers, one for school and one for home.) The **FIRST** dose of this medication for current condition/illness may not be given at school. In order for the school nurse to distribute prescription medication, the following must be on file in the principal's office **each year**:

- A Physician's Request (form A)
This form must be filled out by a physician
- A Request Form for School Dispensation of Prescription Medication (form B)
This form must be filled out by the Parent/Guardian
- A Release form for Distribution of Prescription Drugs (form E)
This form must be filled out by the Parent/Guardian

New forms must be completed each year. If these forms are not filed new each school year, school personnel **WILL NOT** distribute medications.

Non-Prescription Medication

Any over the counter medication that the parent feels necessary to be given during school hours **MUST** be in its original container and be accompanied by a written note from the parent stating student's name, medication name, dosage, time to be given, and number of days to be given. These medications should be kept to a minimum. Over the counter medications needed for more than two weeks may require a physician's order.

Some non-prescription medication will be kept on hand in the nurse's office in the event that your child may need them. These medications include: acetaminophen (Tylenol), ibuprofen (Motrin), Benadryl (for allergic reactions), Robitussin (for cough). These medications will be given at discretion of the School Nurse. Parents must fill out the Emergency Health Information form and check the medications that their child is permitted to receive. Cough drops **will not** be provided by the School Nurse.

All medication must be processed through the School Nurse's office. Any medication should be brought in by the parent/guardian and directly handed to the School Nurse. For the safety of all students, medication should not be sent with student on the school bus. **All medication MUST be in its original container.** If these procedures are not followed, the medication will not be given.

Examinations

The Pennsylvania School Law requires all students in grades K, 3, and 7 to have a dental examination. Students in grades K, 6, and 11 are required to have a physical examination. All exams should be completed between May and January. These forms can be found on the Sharpsville Area School District website. Forms must be completed by your child's dentist and/or physician and returned to the school upon completion.

I am available for discussion of any health matters that your child may have, so please do not hesitate to call me at 724-962-8300.

Sincerely,

Julie Mehler, RN, BSN, CSN
