

August 31, 2022

Mauldin Families,

We would like to invite you to our annual open house on September 20, 2022 from 6:00-7:30 PM. We have had a wonderful start to the school year. Our students are hitting their stride in their classes, our athletics are performing well, and both students and staff are settling in. Our open house will be an opportunity for you all to meet your student's teachers, schedule or request conferences, be provided senior information, and learn about courses and programs.

Our format will be a drop in following the schedule below. We ask that you respect our teacher's time by introducing yourself, and limiting any conversations to 1-2 minutes to allow them to meet and greet other families. It is an expectation that each teacher provides information about themselves, course information, and an opportunity to schedule conferences or request contact on their boards. This is a long day for our teachers so we plan to end promptly at 7:30 to allow them to rest up for the next day! Please consider joining us in this opportunity to strengthen the partnership between school and home.
