

Dear Parents of Academic English 9 Students:

We are very excited to announce the addition of Pearson SuccessNet to our educational curriculum here at HOPEWELL HIGH SCHOOL. Pearson SuccessNet offers you the opportunity to look inside your child's day-to-day learning.

How to get started? It's as easy as 123!

Success at school can be a shared learning experience!

As a partner helping your child make the most of learning, Pearson SuccessNet offers the right tools for you and your child. It all begins with a simple login at the web site.

How to access the Web site:

1. Access your Internet browser - (For your reference, Pearson SuccessNet Internet and System Requirements can be found at <http://knowledgebase.pearsonschool.com/kmp/article/AA-04713>).
2. Enter the URL (site address) -- <http://www.pearsonsuccessnet.com>
3. Then, use the following information to get started in Dran's Academic English 9 classroom:

Your child's user name: **studentall**

Your child's password: **_academic1**_____

Note: User name and password are case sensitive

4. Congratulations! You should see your home page.

This is an account for all of my students to access their textbook from home. Please do not change the username or password for this account. I am hoping to be able to provide an account for each student with his/her own username and secure password. When this is possible, I will send a letter home informing you of the change. However, for now please use this account.

If you have any questions or need to contact me, please use: drank@hopewellarea.org; or leave me a voicemail at (724) 375-6691, option 7, extension 2203.

Thank you,

Kate Dran
