

Who is eligible?

P-EBT is a federal program that provides nutritional assistance to households due to COVID-19 school closures. Students who are **eligible for free or reduced-price meals through the National School Lunch Program** qualify for P-EBT if they are learning remotely during the pandemic.

Benefits will be automatically loaded to your existing P-EBT or EBT card. If this is your first time receiving benefits, a pre-loaded P-EBT card will be mailed to the current address in the student's school record or funds will be added to your SNAP EBT card. Ensure your address is correct within your local school division records. Additional program details such as benefit amounts and issuance dates are available at **PEBTva.**com. If you don't receive P-EBT benefits, but believe there are eligible students in your household, please call the P-EBT call center at 866-513-1414 or 804-294-1633.

How do I activate the card?

Secure information detailing how to PIN your card will be included in the mailed envelope with your card. You may also call 1-866-281-2448, visit **www.connectEBT.com** or download the ConnectEBT app on a mobile device. If you lost or discarded your previously issued P-EBT card, contact ConnectEBT at 1-866-281-2448.

Shop online or in person

P-EBT cards can be used to purchase eligible food items anywhere SNAP cards are accepted. You can also buy groceries through online platforms, including Amazon, Walmart, Food Lion and Aldi.

Participation in the P-EBT program is voluntary and does not affect your eligibility to receive "grab and go" meals from your school. Additionally, the public charge rule does not apply to P-EBT benefits.
