Desktop Publishing
People Duplicate

Recreate the cover of a *People* magazine. Your goal is to come as close to the original as possible. Try to match the fonts, sizes, colors, etc. The photos will be difficult to match. They do not have to be the exact photos; just try to come close to the original. You may have to substitute a different person if unable to find a photo of the person shown.

You will earn no points if you simply search the Internet for the magazine issue and print a copy of the cover. You will also earn no points if the *People* magazine is not turned in with the duplicate cover.

You will be evaluated as follows:

Included all of the text shown on original	/10
Included the same number of photos shown on original	/10
Arranged photos and text the same as original	/10
Chose fonts, sizes, and colors that matched original	/10
Created a background that matched original	/5
Included borders around photos and text boxes (when shown on original)	/5
Included fill color in text boxes (when shown on original)	/5
Spelling	/5
Total Points	***/60***

Hints:

"People" font – Rockwell Extra Bold (very tight)

Font for most text – Arial Narrow, then Bold

Use WordArt for text (type each line individually in WordArt in order to get correct line spacing)
