

PERSONAL ONE-PAGER

Due Date: _____

What is it? A one-pager is a single page (11" x 17") of white paper that connects your thoughts and ideas creatively. You may use your own colored pencils or markers or use the coloring utensils available.

The purpose of this one-pager is to introduce yourself to our class in a way that we can get to know you and work together this school year and beyond. You should make a first draft/sketch before creating your final product. You will present this, and your work will be displayed, so create something of which you will be proud.. We will work on this for 2-3 days in class, and the rest will be completed on your own.

Directions and what to include in your One-Pager:

- ☐ Write your first and last name somewhere on the page (this can be done creatively!).
- ☐ Include a picture of yourself (drawn or printed) somewhere on the page.
- ☐ Include a border that reflects something that represents you.
 - ☐ This can include words, pictures, symbols, quotes, etc.
- ☐ Create & answer TWO meaningful questions about yourself that most people get to know about you easily.
 - ☐ These should not be yes or no questions.
 - ☐ These questions and answers should not represent obvious/simple questions about yourself.
- ☐ Create & answer TWO meaningful questions about you that most people **DO NOT** get to know about you easily.
 - ☐ These should not be yes or no questions.
 - ☐ These questions and answers should represent deeper questions about yourself.
- ☐ Draw or create **THREE – FIVE** images that represent you. Remember the purpose is allowing your teachers and classmates to get to know you.
- ☐ Create **TWO** goals for the school year.
- ☐ Include **TWO** interesting quotes or thoughts (not song lyrics) which inspire you.
 - ☐ Include quotation marks and name the author of the quotes/thoughts.
- ☐ Include **TWO song lyrics** which represent you.
 - ☐ Include quotation marks, song titles, and the name of the artist/band.
- ☐ Be purposeful and neat.
 - ☐ Your entire page should be filled with these elements.
 - ☐ If you find you have extra room, repeat any of the above steps/ elements.
 - ☐ No space should be blank.
 - ☐ Choose to represent yourself in black & white or in color, but do so purposefully (not because you ran out of time).
 - ☐ Your name, date, and class period should be on the **BACK** of the one-pager.

Name: _____ Date: _____ Period: _____

Grading Checklist -- classwork grade

Based on how much effort you gave to the assignment, you will receive all, partial, or no credit based on the following sections..

| | |
|------------------------|----------|
| Name | _____/5 |
| Picture of self | _____/5 |
