# Photo Scavenger Hunt

## INTRODUCTION

Using your cell phone, or the school digital SLR, work with a group (3-4) to capture the items below. Make sure to be creative (take photos no one else will), think about framing and perspective, and take turns being the photographer. INCLUDE EVERYONE IN YOUR GROUP! No combining items into one image. When done, combine all photographed item into a slideshow. One labeled image per slide. Fill the slide edge to edge! Include a title slide with all group member names.

- Make your images creative and visually interesting
- Take your time to compose your shot
- Save your images-upload the same day
- Work together to edit the images and select the ones that will be in your slide show

- Follow the rules for behavior: quiet voices, no going down the classroom or gym halls, stay within the sidewalk boundary, wear your photo pass, carry the camera safely, be polite, ask people before taking their photograph, be safe with your body, the camera, and school property.
