

# PHOTO SCAVENGER HUNT

## YOU AND A PARTNER OR YOU ALONE:

**SHOOT A GREAT EXAMPLE OF EACH OF THESE. THE MORE CREATIVE YOUR SHOTS, THE HIGHER YOUR GRADE. DON'T TURN IN USUAL, BORING SHOTS! REMEMBER, THIS IS NOT A RACE!**

**NOTE: IF YOU WORK WITH A PARTNER, YOU MUST ALSO SHOOT THE "EXTRA" LIST. The most important aspect of this assignment is CREATIVITY. Shoot something other than "the usual!"**

### ○ Your required list of things to shoot... ○

1. Find a wavy line and shoot it from a bird's eye view.
2. Photograph something yellow, close up.
3. Photograph a jagged line.
4. Find an interesting triangle and shoot a photo with a person near it.
5. Photograph something tall from a worm's eye view.
6. Photograph two overlapping circles.
7. Photograph something bumpy with the light coming from above.
8. Photograph something orange, using an extreme angle.
9. Photograph an interesting reflection.
10. Take a photo that features red and green.
