

Photography in American History Project

Your Name & Class Period

Instructions

1. [Select and research 3 topics from the research list](#). Pick one from each category (Technology, People, Advances). You will read 3 different, credible online sources for each topic.
2. For each topic, write a paragraph-long summary (at least 5 good sentences) of how that topic, person, or issue impacted photography in America. Be sure to mention important dates and locations if necessary. **Do NOT plagiarize or use AI– You will receive a zero and an office referral.**
3. Find a photo or visual that represents each topic.
4. Compile your research on a Google Slides presentation

Include this information on each slide:

- Heading (Topic & Years)
- Visual (photo)
- Summary (5-7 sentences)- How and why did this topic influence, progress, and/or advance photography as we know it today?
- Hyperlinks to your sources

Topic 1 Heading

5-7 sentence summary

Visual (Photo)

Topic 2 Heading
