

Photography: Option #2

Read the Article & Respond:

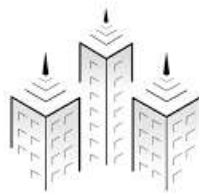

1. Read 11 Very Different Types of Photography That Each Illuminate Our World:

<https://mymodernmet.com/types-of-photography/>

2. Why do photographers tend to concentrate on one or two types of photography?

3. Choose 3 types of photography cited in the article that you find most interesting and explain what they are.

4. Of the 3 types of photography you chose, which one is the **most interesting** to you? What is one **very unique** aspect of this type of photography that makes it the most interesting to you?
