

PhotoPea Silhouette Art

Mrs. Binstock

Find a PNG action photo (400 X 600 or bigger)

- ✗ Save photo or copy photo address
- ✗ Open in Photopea (File – Open or Open from URL)
- ✗ **THE MORE MOVEMENT THE BETTER!**

Remove Image Background

- ✗ Remove background with MAGIC WAND
- ✗ Click on background to select (You may have to adjust the TOLERANCE if too much or too little is being selected)
- ✗ Click DELETE

Change EXPOSURE to turn photo black

- × Image – Adjustments - Exposure
- × Pull all the way to left to lower completely

You should be left with this.

Now let's make a fun background

Create a new blank canvas

- ✗ File – New – Screen – HD (width: 1280, height: 720)
- ✗ Set Background Color:
 - Click on the color box:
 - Choose a color you like
 - Click OK

Create a new blank canvas

- × Select the Paint Bucket tool
- × Click on the background canvas to paint it

Add Photo to Background

- × Drag silhouette layer to background image
- × FREE TRANSFORM (CTRL + ALT + T or Edit – Free Transform) to resize/position
 - ****HOLD SHIFT TO RESIZE AVOID SKEWING!**

Done! Save
(File – Export as – PNG)
Submit!
